## ALLIED SURGE TOWARD PARIS UNCHECKED

### Canadians Thrust Four Miles Into Line Below Caen

Doughboy Drive Leaves Behind to Northwest Wreckage of Enemy's Abortive But Still Withering Counterattacks

MUCH RESISTANCE ENCOUNTERED AT ST. MALO

By GLADWIN HILL

Supreme Headquarters Allied Expeditionary Force, Aug. 8—(P)—Allied troops, advancing in two powerful surges at the wings of a 130-mile front, drove today to within little more than 100 miles of Paris, and the Germans desperately rushed in forces from southern France.

Canadian troops hammered four miles into the main enemy line below Caen, and Americans on the southern flank struck toward Le Mans, only 110 miles from the French capital. Advance elements already were reported in Le Mans, a road-and-rail hub.

### U. S. HEAVIES STRIKE HARD OVER FRANCE

Thousand American Bombers Hit Second Tremendous Blow at Hinge of German Lines

MAID CANADIAN DRIVE

By AUSTIN BEALMEAR

London, Aug. 8—(AP)—A thousand American heavy bombers struck a second tremendous blow today at the hinge in German lines below Caen and ranged widely over France attacking air fields and laying bomb installations. An estimated 1,800 tons of bombs were cast on German lines before the advancing Canadian First Army in the same area pulverized last night by 1,000 British heavy bombers which dropped around 6,700 tons. About 600 U. S. fighters and Liberators participated in this action.

Some 400 others beat up airfields at Romilly Sur Seine, 55 miles northwest of Paris, and at Le Pertre, northwest of Romilly. They also bombed the platforms from which robot bombs are hurled at England. Up to 750 Mustang, Lightning and Thunderbolt fighters escorted the American bombers. The attack last night by the RAF's Lancasters constituted their first operation in darkness in close support of ground forces. In the hour before midnight, the big bombers dumped an estimated 6,700 tons of explosives on enemy fortified points in the area of May-Jur-Orne and Tilly La Campagne on both sides of the Caen-Palais road.

Allied air fleets made new attacks on the enemy today. (Turn to Page Seven)

**ABANDONING HOTELS**

Washington, Aug. 8—(P)—Curious senators sought an explanation of the army's decision to abandon some hotels while reportedly planning to take over others for the hospitalization of wounded soldiers. The senate war investigating committee centered its inquiry on army plans to turn back the Breakers hotel at Palm Beach, Fla., to its private ownership in December.

**42,000 Japs Are Nipped In India Battles**

By CHARLES A. GRUMICH

Southeast Asia Command Headquarters, Kandy, Ceylon, Aug. 8—(P)—An Allied spokesman declared today that 42,000 Japanese had been killed and four of the enemy's nine Burma divisions had been liquidated in their drive into northeast India and in Lt. Gen. Joseph W. Stilwell's successful campaign in the jungle-girt Burmese mountains.

"They have had the hell knocked out of them," the spokesman said in closing the books on the Japanese incursion into India. He speculated that the Japanese might retreat as far as Mandalay. Allied patrols fanned out beyond the Burmese frontier base of Tamu and crossed the Yu river, chasing the disorganized Japanese toward the Chinindwin river, headquarters announced today. Other forces moving south toward Tiddim on a highway from Imphal were reported making satisfactory progress.

British and Indian troops killed 15,693 Japanese by actual count. (Turn to Page Seven)

**Associated Press Bulletins**

Rome, Aug. 8—(P)—American shuttle bombers from Britain attacked two Romanian airfields northeast of Ploesti today and then landed on Italian bases.

Hartford, Conn., Aug. 8—(P)—Connecticut Republicans gave the top places of their state ticket today to Senator John A. Danaher and Governor Raymond E. Baldwin, renominating both by acclamation.

New York, Aug. 8—(P)—United States Senator Robert F. Wagner was nominated today by the state Democratic committee to succeed himself as senator from New York in the November election.

Chungking, Aug. 8—(P)—Chinese troops surrounding Tengchung are massing for a final assault expected to result in the fall of that Japanese strong hold in western Yunnan province, the walls of which already have been penetrated by the besieging forces.

New York, Aug. 8—(P)—The stage and film production of "This Is the Army" has earned \$10,000,000 for the army emergency relief fund, Irving Berlin, composer and producer of the show, reports.

Moscow, Aug. 8—(P)—U. S. Eighth Air Force heavy bombers attacked a German synthetic oil refinery yesterday at Tresbina, about 20 miles west of the ancient Polish capital of Krakow.

Philadelphia, Aug. 8—(P)—Frank L. McNamara, regional director of the War Manpower Commission, said today the loss of 4,000,000 man-hours in defense plants during the city's six-day transit strike cost the nation's war production the equivalent of 267 Flying Fortresses or five destroyers. (Turn to Page Seven)

### PUNISHMENT METED OUT IN HITLER PLOT

Trial of Eight High Officers Expelled From Army on Charges of Complicity is Concluded

HIMMLER IN CHARGE

London, Aug. 8—(P)—Field Marshal Edwin von Witzleben and seven other German army officers were hanged today, Berlin announced, after a trial in which they confessed plotting to kill Hitler and surrender Germany to the Allies.

This brought to 16 the announced deaths of alleged conspirators in the Berlin-planned plot which culminated in the July 20 bomb explosion at a Hitler headquarters.

Today's executions took place two hours after conclusion of the trial of von Witzleben and the seven others, all of whom had been expelled previously from the army. Berlin gave this account:

The officers were accused of participation in the assassination attempt "in order to stir up revolt in Germany, to assume command of the Wehrmacht, to seize state authority and to conclude a dishonorable peace."

The court consisted of an infantry general, a Berlin business man, a people's councillor and a municipal councillor. A Berlin baker and a civil engineer served as substitute judges. The jury were long red robes.

The officers were represented by eight defense counsellors appointed by the state.

When the chief of the defendants, former Field Marshal Erwin von Witzleben, gave the German salute the president of the court declared, "The German salute may be given only by Germans who are men of honor."

The proceedings were carried out in the senate of the People's Court, highest German court. Dr. Doland Freisler was president and Chief Prosecutor Lautz headed the staff presenting the Reich's case.

**JUSTICE DEPARTMENT INVESTIGATING P. A. C.**

Washington, Aug. 8—(P)—The justice department is probing into the activities of the CIO Political Action Committee, says Attorney General Biddle, but alleged violations of the Hatch act by government employees are beyond the department's province.

Cases involving the Hatch act—restricts political activity by federal workers—are handled by the government agencies hiring the employees, Biddle told Rep. Dies (D-Tex) yesterday.

Dies, chairman of the house committee investigating un-American activities, had asked Biddle to take steps to "correct" what the Texan termed political abuses he said were being practiced by the PAC.

**Three Women On Trial For Treason**

Denver, Aug. 8—(P)—With testimony already given by a German prisoner of war that he and a comrade received aid in their escape from an internment camp from three California-born Japanese sisters, the trial of the women on charges of treason moved into its second day in U. S. district court today.

The prisoner, 31 year old Corp. Heinrich Haider, one-time member of the German army, testified that he and his wife, Marie, and sister, Gertrude, were met by the three in an automobile after fleeing from the internment camp at Trinidad, Colo., and were taken as far as Wagon Mound, N. Mex.

Yesterday's session took an unexpected turn when Haider testified he planned the escape so he could "fight against the Hitler gang."

**COL. DOUGLAS M'NAIR IS KILLED AT GUAM**

Washington, Aug. 8—(P)—The war department has announced the death on Guam of Col. Douglas M'Nair, 37-year-old son of the late Lt. Gen. Lesley J. McNair whose death in Normandy by a prematurely released bomb from an American plane was disclosed July 27.

No details of the younger M'Nair's death were made public in the war department announcement yesterday.

**NEW OPA RULING**

Washington, Aug. 8—(P)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

Washington, Aug. 8—(P)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

Washington, Aug. 8—(P)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

Washington, Aug. 8—(P)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

Washington, Aug. 8—(P)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

### Trap Tightens on Japs at Guam Russian Offensive Menaces Kielce

RENNES: Shoe on Other Foot Now

A collaborationist kneels and clasps his hands in fear as angry citizens of Rennes, France, threaten summary punishment after the Americans entered the city in their first sweep across the Brittany peninsula. They made him shout praises of the Allies.

### Grand Jury Ready to Probe Philadelphia Transit Strike

Philadelphia, Aug. 8—(P)—Philadelphia looked to FBI agents and a federal grand jury today for possible sensational disclosures in a paralyzing six-day transit strike that developed with flashing suddenness and without apparent organized leadership, inspiring a union's charges of "company collusion" and "sinister enemy activity."

"We are going after the big fish," a federal spokesman said as the FBI massed data and the grand jury prepared to convene tomorrow to hear at least 35 persons, including strikers, Philadelphia Transportation Company officials, officers of the CIO Transport Workers Union and government war agency officials.

The strike, a protest against the upgrading of eight negroes began early last Tuesday morning without apparent warning and was crushed completely early yesterday after the army seized the lines by order of President Roosevelt. Armed troops continued to ride every moving bus, trolley, subway and subway-elevated train today.

A federal spokesman said the special investigating jury would summon Frank L. McNamara—who estimated 4,000,000 man-hours lost to war production through the stoppage—said a PTC official had proposed that the employment directive be vacated as "the price of ending the tie-up."

Five of the eight negroes who were scheduled to begin training as operators when the work stoppage began last Tuesday, reported to PTC instruction depots yesterday but were told to "go home and call back tomorrow—who whether you are to report for work."

When they called today, they were told not to report this morning but to call again tomorrow. Later this morning they went to the Fair Employment practices (Turn to Page Seven)

**Three Killed In Collision At Meadville**

Meadville, Aug. 8—(P)—Three workers at the Keystone Ordnance Works nine miles south of here were killed and a fourth critically injured today in the collision of their automobile with a heavily loaded truck near the plant entrance.

The dead were identified as: Harold Harmon, Meadville, who died instantly.

Robert Brown, address unknown, who died in an ambulance en route to city hospital.

Fred Trees, Meadville, who died in the hospital several hours after the accident.

In a critical condition was Charles Bowler, Meadville.

State police said the men were guards at the huge army munitions plant now being reactivated after a several months' shutdown.

The car had just turned from a dirt road into Route 19 when the truck loaded with sheet steel approached the intersection.

The light passenger car was hurled 200 feet by the impact.

**SURVIVES TORPEDOING, JOINS WIFE IN DEATH**

San Francisco, Aug. 8—(P)—Several months ago Mrs. Mildred McReynolds received notice that her husband, John K. McReynolds, had been killed in a merchant marine torpedoing. Mrs. McReynolds fell dead after reading the telegram.

McReynolds returned home shortly afterward. Yesterday his body was found in his gas-filled automobile. A note beside the body said: "My new address will be with Millie."

### REDS CAPTURE OVER SIXTY COMMUNITIES

New Eruption Carries Red Army Beyond Enemy's Broken Vistula River Defenses

CELEBRATE IN MOSCOW

By DANIEL DE LUCE

Moscow, Aug. 8—(AP)—A new eruption of Red army attacks which captured more than 60 communities beyond the enemy's broken Vistula river defenses threatened today to strangle German communications between Krakow and Warsaw in the heart of Poland.

Striking out afresh yesterday from the Vistula bridgehead, Marshal Ivan S. Konev's first Ukraine army reached points 30 miles west of the river, Soviet field dispatches said.

(Today's German radio communications suggested that Russian armies which established a 41-mile front on the west bank of the Vistula river 110 miles southeast of Warsaw, struck violently to the northwest, seeking to curl around and encircle Warsaw.)

Thrusting beyond newly-occupied Szydlow, the Russians directly menaced Kielce, astride highway and rail arteries 25 miles to the northwest.

Last reports placed Soviet spearheads within 37 miles of Krakow, last night Nazi bastion before German Silesia, now 75 to 90 miles away.

Moscow guns sounded last night for two victories—the fall of the city center of Boryslav in the Carpathians, and the capture of Sambor, communications hub whose fall gave the Russians a grip on five routes leading into nearby Czechoslovakia.

(Information available in London indicated that through capture of Boryslav the Russians had regained some 2,000 Galician oil wells which had been feeding the Nazi war machine. The Germans thus were left only the Ploesti fields in Romania, which have been repeatedly bombed by Allied airmen.)

Far to the north three powerful Soviet armies began a pincers movement on German East Prussia along a 200-mile front.

With the Red army fighting virtually on the East Prussian border, hundreds of Stomovikov, Bostons and Soviet medium bombers went into attacks against East Prussian towns, railroads and highways today.

Izvestia commented that "the hour of revenge has come."

**Reduction In Fed. Payroll Is Foreseen**

Washington, Aug. 8—(P)—Dropping of 2,000,000 civilians from the federal payroll within a year after the war ends was foreseen today by Chairman Ramspeck (D-Ga.) of the house civil service committee.

Ramspeck's prediction was made in connection with the announcement yesterday of the order in which employees will be discharged as reductions become necessary.

The Georgian said the civilian rolls now number 2,908,912. He estimated that postwar cuts will bring the total down to about 900,000. The 2,700,057 federal employees in Washington, he believes will be cut in half.

He expressed the opinion that government workers should be "mustered-out" of war jobs under the same severance pay and unemployment insurance benefits as the government provides for workers in war plants.

**VON PAPAN IN BERLIN**

London, Aug. 8—(P)—The Nazi-controlled Paris radio said today that Franz Von Papan, German ambassador who left Turkey when that country broke relations with Germany, had arrived in Berlin.

### Butler Water Well Gushes Forth Oil

Greece City, Aug. 8—(P)—Here's Cooney Ball's formula for success: Drill a water well that produces oil.

That's exactly what happened when Ball sank a 65-foot water well on his Butler county farm last week. First producing gas, the well began to gush forth oil yesterday at the rate of a barrel an hour.

With oil selling at \$3.40 a barrel, Ball's "water well" promises to bring in approximately \$80 daily.

Oilmen, mystified by the flow which comes from none of the familiar sands, attributed it to a "water push."

**TOKYO SAYS RAID MADE ON PHILIPPINES**

No Substantiation of Broadcast is Made by Lt. Kenney's Far Eastern Air Force

SUPPLY LINE IS SLICED

U. S. Pacific Fleet Headquarters, Pearl Harbor, Aug. 8—(AP)—American marines and soldiers on Guam have compressed several thousand squirming Japanese into the northern one-tenth of the island, bringing complete reconquest of the former U. S. naval base very near today.

Other bad tidings for the enemy: Apparent neutralization of Yap island, once-mighty Japanese airbase in the Carolines 600 miles southwest of Guam.

Slicing of the Japanese supply line between Adape and Wewak in British New Guinea.

Reports—Tokyo-originated—of American airplanes over the Philippines on Monday (U. S. Time).

The Tokyo radio said a large plane dropped "three small bombs harmlessly into the sea" near Davao, Mindanao, at 1 a. m. An hour later another plane "fled before reaching Davao."

There were no substantiating reports from Lt. Gen. George C. Kenney's Far Eastern Air Force, which patrols from the Australia-New Guinea area toward the Philippines. There has been no Allied air attack upon the Philippines since mid-April, 1942, before the fall of Corregidor.

The Japanese belatedly acknowledged a two-day raid by an American carrier task force upon the Bonin and Kazan islands, 1,000 miles north of Guam and only about 600 miles from Tokyo, but said 41 U. S. planes were shot down and an American cruiser damaged.

Adm. Chester W. Nimitz previously announced that 11 Japanese vessels were sunk and 30 other surface craft damaged, and 13 enemy planes were destroyed, for the loss of 16 American planes, last Thursday and Friday.

Gen. Douglas MacArthur reported a 30-ton mid-day bombing raid Sunday upon Yap, 800 miles east of Mindanao.

In one of the rare Japanese references to Gen. Douglas MacArthur's southwest Pacific domain, Koiso added: "In the New Guinea (Turn to Page Seven)

**Resignations In W. P. B. Reported**

By STERLING W. GREEN

Washington, Aug. 8—(P)—The report that two War Production board officials had submitted resignations in protest against army-instigated suppression of their military supply figures, today revived a month-long controversy over the state of the armament program.

Their figures showed that supplies of ordnance for the army ground forces were at high levels in July, WPB sources said, but at the army's request, States May, director of WPB's bureau of planning and statistics, ordered them withheld.

The supply summary was part of the monthly "progress report" prepared by May's bureau on a confidential basis for a limited number of key war agency officials including the members of the WPB.

Cleveland, Aug. 8—(P)—Recipient of the one-millionth monthly social security insurance benefit now in force, Mrs. Mary Rex Thompson, 33, Cleveland war worker's widow and mother of two children, today received checks totaling \$58.49, the first of a series of payment that could exceed an estimated \$15,000.

Mrs. Ellen S. Woodward of Washington, member of the social security board, presented the initial checks to Mrs. Thompson for herself and children, Dale Bernice, four, and one-year-old Jerald Robert.

Records show that John R. Thompson, husband and father, paid \$145 in social security taxes over a period of 7½ years prior to his death June 19, and his employers paid an equal sum on his account.

The widow will receive a check for \$25.07 monthly and one for \$16.71 for each child.

**WRECK ON B. & O.**

Butler, Aug. 8—(P)—The locomotive, tender and mail car of the Baltimore & Ohio railroad's Pittsburgh-Buffalo "Midnight Flyer" were derailed near Butler junction shortly before midnight last night, the railroad reported. No one was injured, the railroad said, although traffic on the single-track Buffalo division was tied up for several hours.

### TOKYO SAYS RAID MADE ON PHILIPPINES

**Little Change On The Italian Front**

Rome, Aug. 8—(P)—The Germans clung tightly to a foothold in the hills south of the Arno river in the great bend east of Florence today after counterattacking sharply against Indian troops advancing through the mountains north of Arezzo.

In the two great cities bisected by the Arno—Florence and Pisa—the positions of the contending forces remained virtually unchanged, the Allies holding the regions south of the stream and the Germans still in control of the north banks.

Stormy weather, much with rain, curtailed action along most of the front.

**LITTLE MISUNDERSTANDING**

Hollywood, Aug. 8—(P)—The fight between actor Jon Hall and Bandleader Tommy Dorsey had simmered down to a lot of talk today and the actor, wearing 50 stitches in his handsome face, was able to be up and about. Hall said the first throwing developed from a "little misunderstanding," and added that he wasn't considering signing a complaint against anybody.

**WRECK ON B. & O.**

Butler, Aug. 8—(P)—The locomotive, tender and mail car of the Baltimore & Ohio railroad's Pittsburgh-Buffalo "Midnight Flyer" were derailed near Butler junction shortly before midnight last night, the railroad reported. No one was injured, the railroad said, although traffic on the single-track Buffalo division was tied up for several hours.

## WARREN STATE HOSPITAL

Must comply with the W. M. C. Regulations

### TIMES TOPICS

#### PAC SWIM TONIGHT

PAC members are limited to one swim period at the "Y" pool this evening, the hour to be from 7:15 to 8:15, and the first 40 to sign up to be the lucky ones chosen.

#### HAD GOOD BUSINESS

Bailey Brothers Circus played to two capacity houses in the city yesterday and the coffers of the outfit were considerably enriched. The show is a small one and the performance about on the par with that of the Dan Rice Show of early days when trained dogs, goats, etc., formed the big end of the program. Those who attended had their purses given a severe wrench by the prices charged for admission and reserved seats and other little things but the circus fans had their hunger for sawdust satisfied. The show moved on to Titusville during the night.

#### TIP SHERRY RETIRES

Thomas Sherry (Tip) to scores of Warrenites has retired. After 57 years of mixing drinks in bars around this end of the state he has hung up his towel, laid away his mixing glass and cocktail shaker and called it a day. "Tip" was a bartender back in the days when whiskey was whiskey at 50 cents a pint and when mixed drinks were really mixed. He held forth at the Carver House during the days when Mrs. King conducted the hostelry and it had a reputation from coast to coast for meals and bar service. For the past 15 years he has been meelologist at the Erie Club. One of his favorites was a DuPont Special Cocktail which had more than local fame at the Erie Club.

#### OPA ON PLUMBING

Maximum Price Regulation No. 546 will control the wholesale and retail ceiling price on 61 items of Used and Reconditioned Plumbing and Heating Equipment. The regulation effects sales of the items mentioned above by auctioneers and second hand dealers. Sales by a householder of any of these articles originally purchased for his own use are exempt from price control pursuant to Revised Supplementary Regulation No. 546. However, sales made out of the residence as a regular business enterprise are covered by the regulation. Every person selling Used and Reconditioned Plumbing and Heating Equipment, seconds or culls, subject to this regulation shall, before making the first sale of Used and Reconditioned Plumbing and Heating equipment, notify the purchaser of the existence of this regulation.

#### HOME ECONOMICS EXTENSION NEWS

Thelma Prendergast

#### Avoid Accidents in Home Canning

This year, we should take warning and—

1. Do not oven canning.
2. When using pressure canner, follow manufacturer's directions to the letter. Be sure to have your pressure gauge and safety valve checked. Your County Home Economics Extension Office Representative will tell you how this may be accomplished.
3. Do not fill jars too full for either processing in the pressure canner or the boiling water bath. Some head space is needed for expansion, or else explosions can be expected.
4. In using all lids except the automatic seal, loosen slightly before processing. Zinc lid glass tops with metal bands should be turned tight, and then turned back one quarter turn. Automatic seal tops should be turned until firm, but not forced tight. The compound which the latter contains softens in the heat and thus perfit pressure in the jar to escape. It tightens upon removal from heat thus making a perfect seal.

The other lids must leave some vent for escape of pressure. Therefore we tighten them and then turn back. The jars with tops and bands, the bands are placed in position, but not fastened down.

5. Place jars in boiling water bath on a rack to hold them up from the bottom.
6. Avoid subjecting jars to sudden chill.
7. Always when lifting a lid from a steaming or hot vessel (in canning or in ordinary cooking) lift the far side first, away from the face. Never, never lift lid toward you, and allow steam to flow up into the face.
8. Follow this year's directions carefully. They have been developed carefully to give maximum success and satisfaction, and to avoid the mistakes of last year.

If you do not have the latest circular from Pennsylvania State College on "Canning Fruits and Vegetables" be sure to request it from the Extension Office, (Court House, Warren.) Other bulletins which may help you to solve this year's problems in food preservation are:—  
"Canning Meat and Poultry at Home."  
"Salting and Brining Vegetables."  
"Drying Fruits and Vegetables."  
"Freezing Vegetables and Fruits for Home Use."  
"Jellies and Preserves."  
"Pickles."  
All of these bulletins are available free from the Home Economics Extension Representative in your county.

## Council Acts To Relieve Congestion on Second Ave.

Warren's Councilmen seemingly are glad to demonstrate that when the people want something and ask for it the matter will receive attention. The police committee of the Council last evening presented an ordinance whereby the parking meters will be taken off the north side of Second avenue and police regulation made whereby no parking will be allowed on that side of the street. The ordinance passed two readings and will come up again next month. In the meantime members of council will listen to the motorists who are up in arms over this situation. Fourth avenue will also be repaired "when men and materials are available" but no time is set and motorists tires will take it on the chin during the interim. Council last night moved toward the desires of the people but hardly fulfilled the expressed desires.

The finance committee reported money in the various funds as follows: General fund \$24,635.39; Sanitary sewer \$577.03; Sinking fund \$6637.69; permanent street \$10,167.37; park \$794.64. Bills to the amount of \$13,261.47 were ordered paid when properly approved. The damage done to the Casey property on Prospect street by water from the hillside there came in for comment. The borough has made some repairs for the care of the water but sidewalks and a retaining wall were damaged and the property will be viewed by city officials and decision made as to the borough's obligation in the matter of damage.

The street committee was empowered to spend not more than \$275 for tarvia and the same amount for the purchase of black-top for street work. The committee also presented a negative report on accepting a street between Oneida and Biddle.

The police last month had 106 calls and made 34 arrests and turned over \$42.25 from fines. Thirteen dogs were disposed of during the month.

Parking meters from June 29 to July 25 collected \$750.54 as against \$724.47 for the same period last year. Burgess Steber collected \$3 in licenses last month.

An ordinance to repeal the ordinance passed some time ago requiring all dogs to be kept on the owners property and on a leash when off the property was repealed. It was reported no rabies had been reported in seven weeks hence the quarantine on dogs was lifted.

Firemen had seven calls last month with a property loss of \$550.

Seven building permits totalling \$18250 were granted during the month with fees of \$27 for the city. The largest permit was to the Masterson Company for their building on Lexington avenue leased to the Sylvania Company in the sum of \$15000.

No bids were received for the painting of the city hall and no report on the laying of a sidewalk from Third avenue to the City Hall.

Fees from the city scales in the sum of \$32.15 were reported.

Mr. DeFrees of the Park committee reported that the parks and

playgrounds have been used more extensively this year than in any year in history. Eleven big picnics have been held in Crescent park. One new fireplace has been completed there and others are contemplated. At Lacy playgrounds new sandboxes and a basketball court have been provided. The police have cooperated in fine shape in curbing larger boys who caused disturbances on the playgrounds.

Mr. DeFrees also stated that an effort was being made to compile a history of Warren's parks and that he would appreciate anyone giving the Park committee any data relative to the establishment of the city's park lands.

Mr. Waite gave some interesting sidelight on the new McKean county airport. It was built by the U. S. Army and has runways one and one-quarter miles long so the largest planes can land and take off there. The port is only 24 miles from Warren hence available for air travelers from this city. One of the big plane companies will operate in and out of the port as soon as the equipment can be secured. Bradford will erect hangars and a modern airport building at a cost of \$125,000. He stated that he felt the construction of the Bradford airport serving this entire section should be considered by Warren people as a great step forward in the future for all residents here.

At the hospital  
Visiting Hours:  
2:00 to 3:00-7:00 to 8:00 p. m.

"SLIM BRYANT AND HIS GEORGIA WILDCATS"

At Library Theatre Today

Slim Bryant and his "Georgia Wildcats," that well-known radio aggregation from KDKA will appear at Library Theatre today, afternoon and evening. Slim and his Wildcats have been on the air for several years and have made radio friends all over the country.

Among those featured in the show besides the trio are: Kenny Newton, Pennsylvania boy, known as the champion fiddler of the east. Kenny recently won second place in the National Championship contest in Columbus, Ohio.

Kenny also sings and is well-known for "Freight Train Blues" and "Der Fuehrer's Face". Lopsy Bryant is the master of ceremonies, plays the bass fiddle and sings in the trio. Slim Bryant furnishes laughs, plays guitar and provides novelty numbers.

The "Wildcats" are heard on KDKA daily during the Farm Hour from 6 to 7 a. m.; daily at 1:15 p. m. except Wednesdays; Monday, Wednesday and Friday at 6:15 p. m. on the Tri-State Jam-boree; and "Saturday on the Farm" program at 12:30 p. m.

Slim says "All you folks be sure to come out to meet us and if you don't like our show you can ask for your money back. Of course you won't get it, but it won't hurt none to ask."

## Many Pay Tribute to Former Citizen on 100th Anniversary

The following items from the Tribune, Tulsa, Oklahoma, will be read with much interest by the many friends of "Uncle George" Metzgar, former well known Warren resident, who recently observed his 100th birthday anniversary: Thursday, July 13, 1944.

One hundred years of living—forward, not in the past—abreast of the times and keenly speculative of the future course of this active world.

That is George W. Metzgar who will celebrate Saturday his one hundredth birthday, an event few live to celebrate—at the home of his son-in-law and daughter, Mr. and Mrs. Charles B. Johnson, Sr., 16 W. Fifth St., 1944.

There will be a birthday cake of course and open house will be held from 2 to 5 and 7 to 9 p. m. Already he has received numerous birthday congratulations by mail, telegrams and telephone—from as far away as England, New Guinea and Hawaii.

In very good health, keen, interested in everything, and he means everything, the loss of his sight some 15 years ago following an operation, has not dimmed his outlook.

What does he attribute his long life to?

"My time wasn't up, I suppose. I was kept here for some purpose—I don't know for what purpose as yet but these have been a good one hundred years to me, considering everything that has happened in between them."

Metzgar is oldest living Pennsylvania Railroad retired engineer, and probably oldest member of the Brotherhood of Locomotive Engineers—dating from Sept. 27, 1867, or 77 years.

Born of a pioneer family in York, Pa., July 13, 1844, he has outlived his own family of six brothers and sisters. Of his own family of nine children there are Mrs. Johnson, Mrs. George Lasky of Niagara Falls, N. Y., and Will Metzgar of Erie, Pa.

Deep behind his eyes, in a quick mind cataloging the events and changes taking place in these moving times.

Through the radio—which he thinks is one of the greatest advances of his century of living; through the daily reading by his son-in-law and daughter with whom he has made his home the past 15 years, he learns much concerning events all over the world.

No greater baseball fan perhaps lives today than this man who had never missed a world series until he lost his sight. During the years the Tulsa Oilers broadcast their games, no fan sat closer to his radio to follow the plays.

Among other cherished possessions is a baseball autographed by every player of the club, including Dizzy Dean who was with the club one year, and club officials.

Thirty years ago this July 13, he retired from the Pennsylvania service after 50 years. At that time he was presented with a gold button which he proudly wears on his coat lapel.

As he looks back he recalls having run almost every type of railroad engine, from the Ross Wyan-Chambeck, built at Baltimore, to those operating at time of his retirement.

"I don't go for these new streamlined engines," he grins.

adding that he likes the old-time engines.

Another prized possession are his 14 annual passes, one received each year after his retirement and good over the entire Pennsylvania system. He has traveled widely throughout the United States and claims many noted persons as his friends.

Among them is Senator James J. Davis of Pennsylvania, former secretary of labor. In fact Davis introduced Metzgar to the late President Coolidge during a Brotherhood convention in the capital.

Metzgar has lived through three wars—Civil, Spanish-American and World War I—and he hopes to live to see the end of World War II which he thinks will come much sooner than some think.

"I thought the other wars were terrible enough but this one is worse than all the others combined—but victory will be ours and I believe we will have a peace that will be better than the past."

Three of Metzgar's brothers fought in the Civil War. He being youngest of the four boys, wanted to go but then as now, many had to remain behind to do essential jobs.

His job was to man a railroad engine that hauled troops and supplies. He's proud to think he did his part on the home front.

Few there are living today who voted for Abraham Lincoln. Metzgar, although not quite 21, voted for the martyred president when he was elected for the second term. He recalls having seen Lincoln on two different occasions.

Metzgar had been a long-time resident of Warren, Pa., some 50 years. After retirement he traveled—summers in the east and winters in Tulsa. Since loss of his sight he has traveled little.

"Tulsa is a second New York City for its size and it has the finest friends an old man could want," he declares.

He was never ill or confined to his bed until he fell on ice two years ago, suffering a head injury.

"The doctors had given up hope for me but somehow I came through."

An ardent Republican, Metzgar wants to round out this year of exciting events by casting his vote next November for the Republican nominees for president and vice president.

Friday, July 14, 1944

Congratulatory messages were flooding in today to George W. Metzgar, who celebrates his 100th birthday Saturday.

Chief among these was a letter of good wishes from President Roosevelt and another from E. B. John, recently retired superintendent of the Pennsylvania railroad's Renova division. Metzgar, whose story appeared in The Tribune Thursday, is the oldest living ex-engineer of that road while John is the oldest living ex-superintendent.

Also in the mail were congratulations from Alvan Johnston, grand chief engineer of all the railroad brotherhoods and all executive officers. They sent a gold button and reported that records failed to show where any other man had ever been a brotherhood member as long as 77 years—which is Metzgar's record.

"We've had to put the mail in a big basket for it's coming from all over the country," said Mrs. Charles B. Johnson, Sr., with whom her father makes his home at 16 W. Fifth St.

Sealed bids will be received by the Supervisors of Sugar Grove Township up to noon, August 19th, for the loading, hauling and spreading of 2500 yards of gravel.

The supervisors reserve the right to reject any and all bids.

G. L. Sands, Twp. Secy., Chancellors Valley, Pa.  
Aug. 7-3t.

## Enjoy Life, Don't Be Miserable

There is no use letting inactive kidneys make you miserable Thompson's Borsoma Tablets being a stimulant diuretic to the kidneys are a great aid in helping the kidneys flush out poisonous waste matter and excess acid from the blood. This poisonous waste is often the cause of miserable aches and pains and making you get up nights. Thompson's Borsoma Tablets are also excellent for your liver and stomach. 50c at all drug stores. If constipated also take Golden Lax Tablets 25c. (adv.)

## You're Not Too Old To Feel Young

This is a message for men who have grown old but no longer find it troubling because of the lack of certain vitamins and hormones. Tromone, a recent medical discovery combining vitamins and hormones may multiply the vim and zest and enjoyment you once knew. Your whole approach, your whole attitude toward life, may improve when you begin to use Tromone. How it may be possible for middle aged men to again enjoy the same spirit, vitality and pleasure that made their youth a thing to remember. Added years may not subtract from your pleasures when you use Tromone, the new medical formula combining vitamins and hormones. Follow directions on label. Tromone for sale by Miller's Cut Rate Drug Store and druggists everywhere.

2—Italian front: 603 miles (measured from Florence).

3—French front: 630 miles (measured from Troarn).

## Orchids Given For Aiding City's Life In Musical Manner

Warren, long noted as a city of broad culture and in which the musical arts flourished in a remarkable way and for many years the one city in the state which had a musical club with its own building may well afford to toss orchids to one woman who aided in this movement. There have been many who have evinced great love for music and who have aided in bringing to the city many artists of note but one especially has worked tirelessly in the cause of the city's musical life, Mrs. Allie Russell.

Always a lover of music, Mrs. Russell has sought to develop in the people of the city a desire to hear the works of the masters and to inculcate into the life of Warren an ear for the better things in the musical world. In her work in that direction she has been most humanly understanding. To her much of the credit for a success of the Philomel Club must be given as she has always been a tireless worker for that organization.

In efforts to bring famous music to Warren she has been tireless and has aided in the sale of tickets and in advancing the success of the endeavors of the sponsors of the recitals and concerts.

So to Mrs. Russell may the orchids be given today with an effort to be as gracious in their presentation as Mrs. Russell has always been in her contacts with Warren life.

## Council Plans For Erecting New Sewage Treatment Plant

Burgess Raymond Steber presented a report to the Town Council last evening relative to the negotiations made by the special committee of Council for the preparation of plans for the new sewage treatment plant of the borough. Mr. Steber following his report was empowered by the Council to enter into a contract with the Chester Engineers of Pittsburgh for the preparation of plans for the building of the plant. The Chester Engineers prepared the original plans for the borough sewage system which has been about completed to carry the sewage to the treatment plant.

Mr. Steber stated in his report that the representative of the Chester Engineers spent some time in Warren last week and met with the special committee. The proposition submitted by the company provided for the construction of a sewage treatment plant on the site in Pleasant township selected by Council. Plans for the erection of the plant will be prepared for three per cent of the cost of the erection of the treatment system. This cost is expected to be about \$175,000 with the Engineers to realize 3% of this cost for their payment of preparing the plans.

The cost of preparing the plans was as expressed by Joseph DeFrees, of Council "very small," but

## Prowler Caught by Coppers But is Given His Freedom

At 10:10 last night Desk Sergeant Ray Eckert sent out a note to the police cruiser that a prowler was endeavoring to break into a house on Hill street. "He is on the back porch and is seeking to get in, so hurry and you may nab him while he is at work." And away into the night roared the cruiser with cops, riot guns and full equipment.

At the scene the cops deployed in the best Eisenhower methods of surrounding enemy forces. They sneaked up at the rear of the porch and listened. Yep, the sounds of the prowler at work could be heard distinctly and the cops prepared to close in. But on the air arose stinkily an odor of the prowler, and the cops withdrew to the front of the house and putting their trusty weapons away informed the householder that "it's only a skunk and he'll go away without trouble if you let him alone." And away into the night roared the coppers while the skunk finished his lunch and ambled on his way.

And the coppers searched for a prowler reported at work on Poplar street but when they arrived there he had departed.

Otherwise the night was a quiet one and the air arose stinkily an odor of the prowler.

## Circus Theme Planned For Youth Party

The rumor seems to be circulating around town that there may be a few clowns and a couple of ring masters at the Community Young People's Party on Friday evening at Beatty School. At least the circus theme is being carried out in the decorations for the outdoor cabaret on the Beatty court.

Leland Day and his decorating committee will hold their final planning session tomorrow evening. They will work out the party motif in decorations Thursday evening and Friday afternoon. The result should be clever and amusing for the final party of the summer series sponsored by the Community F. T. A. Council and planned by the Committee on Community Recreation.

Any young people who are interested in assisting either Thursday or Friday are asked to call Lee Day at 2444-J. A large group will be needed to carry out the elaborate plans which are being made to make the last party the climax of the summer series.

The party will start immediately after the Community Sing which is being held on the Beatty School lawn under the direction of Harry A. Summers.

## TIMES TOPICS

**RUMMAGE SALE**

A rummage sale is to be held by the Quaintance Class of the First Baptist church in the Salvation Army building Thursday, Friday and Saturday of this week.

**BROTHERHOOD SUPPER**

All men of St. Paul's Lutheran church are invited to attend the Brotherhood's supper Sunday at 6:30 p. m. at Varr-Penn at 6:30 p. m. Thursday.

**BENEFIT GAMES**

The fun is for everyone and the funds are for the Service Bureau, so the public is always invited to attend the series of games held each Wednesday evening from 7:30 to 10:30 in the VFW post rooms.

**IMPLEMENTS AT RETAIL**

To prevent speculation in used farm equipment and machinery, thereby protecting farmers from over-charges, the Office of Price Administration has brought sales of such equipment by any person who has acquired it for re-sale under price control. Mr. Alvin J. Williams, Acting District Director of OPA, announced today. Thus said Mr. Williams, farmers and farm equipment dealers will be protected from speculators who, in the past, have re-sold the items at prices in excess of ceilings by claiming they were not retail dealers and therefore not subject to price control regulations.

The amendment, effective August 2, also provides that all persons selling new or used farm machinery and equipment must keep acquisition costs and sales records which will be available to OPA for inspection to see that ceilings are not violated.

An anti-freeze solution with an alcohol base will remove ice from the windshield.

### YOUNGVILLE NEWS

Youngville, Aug. 7.—The Young People's Group of the United Brethren church on Sunday opened a two weeks "Victory" series of meetings under the direction of the pastor, assisted by Miss Mabel Rife, of Columbus, O., a gifted evangelist, and Mrs. Edith Moritz of Portsmouth, O., an exceptional musician and leader of young people. "Victory Over Sin" is the theme of the series of meetings, which it is hoped may accomplish much good in the community.

### NEWS ABOUT TOWN

Mr. and Mrs. L. C. Johnson and children, of Jersey City, are visiting Mrs. Johnson's mother, Mrs. Grace Wilson.

Many people have visited the scene of the big fire which destroyed a large barn belonging to Archie Jackson. In addition to the losses already mentioned should be named the death of three animals—a cow, a heifer and a pig. The last-named animal ran back into the burning barn after being rescued. The hay burned has been estimated at 75 tons and a new milking machine, as well as other farm equipment, were burned.

### LEGION TO PICNIC

The American Legion and Auxiliary will hold their annual joint picnic on Island Park Tuesday evening, Aug. 8th at 6:30 p. m. GGuets are asked to bring tureen and table service. A short session of business will be conducted by the Legion following the dinner.

### RUSSELL

Russell, Aug. 7.—Miss Lorna Jean Burkett of Brookville spent the past two weeks with her aunt Mrs. John Knapp and family.

### LARGE PICNIC DINNER

About sixty were in attendance Friday afternoon at the annual picnic dinner meeting of the W. S. C. S. with the Chimes of the organization, acting as assistant hostesses. The dinner was held, as in a number of years past, at the home of Mrs. Alice Streeter on Davis street. Tables were placed in the shady yard and a beautiful co-operative dinner enjoyed at One p. m. ### "KEEP GOING!"

An overseas correspondent of the New York Sun writes of an American outfit in Normandy which sent this message back to its commander: "We have reached our objective. What next?"

To hell with objectives," the commanding officer replied. "Keep going!"

The officer's name is not given. But he may well have coined a slogan that will be as enduring as "Damn the torpedoes—full speed ahead!" or "Don't give up the ship." Perhaps he didn't have military logic on his side. Even the rankst amateur strategist can see that such an order might achieve chaotic results. But he certainly had the right idea.

And the officer issued the order at the right time to give both military and civilian spirits a shot in the arm. Rightly or wrongly, people had been wondering about the Allied offensive in Normandy. They had been wondering about correspondents' stories that the Paris timetable was weeks behind schedule, and that caution had become a vice with the Allied command. They contrasted our slow progress with the Russian powerhouse advance.

Then the tanks started rolling in Normandy, and the enemy lines began to buckle. The infantry was on the move, again measuring its daily progress in miles. And an anonymous officer told his men, "To hell with objectives—keep going!"

The words and the spirit are typically American. Perhaps we've read and heard too much about the weariness and homesickness of our troops. They are both, of course. They don't like war. They haven't been brought up on fanatical tales of the glory of dying for an emperor or a fuhrer. But when fighting has to be done they do it, and do it well. Americans have always been like that. We have good reason to be proud that we've never been licked in a war.

"To hell with objectives—keep going!" That's a sound sentiment for us at home to keep in mind, too. None of us has time to stop and watch to see when Germany is going to topple, and in what direction.

If the enemy is off balance and groggy with inner dissension, that's the time to keep going and hit harder—here in America as well as in France, Italy and the Pacific.

### VICTORY GARDENERS WASTE FOOD

(Meadville Tribune-Republican)

Maybe we're all wrong—heaven knows we've been wrong often enough—but it strikes us that victory gardeners, as a rule, are among the greatest of food-wasters. A lot of them don't do a whole lot of planning; they just go ahead and plan and work over the ground and drop in the seeds. Then, when late-July and early-August roll around, they have more stuff than they know what to do with—as not a few of them have remarked in our hearing. And as we're finding out, also, from our own amateurish experience . . . Beans, squash, lettuce, cucumbers, corn, and what-not! Gracious, but they come on thick and fast these days. And the pity of it is that so many of these crops will grow "too hard" or "too big" on the vine. . . .

Warren motorists who have been importuning the Times-Mirror to have Fourth avenue repaired so that tires are not ripped to pieces on the rough stone curbing along the New York Central tracks and on the broken brick will be glad to note that the street is to receive attention. However no time is set for the work to be done as Chairman Patchen, of the street committee, says the railroad will make repairs "as soon as men and material can be secured." Those whose tires have been jammed up, tires that cannot be repaired, rather feel that Agent Boyd, of the New York Central and the borough officials could get a little better arrangement with the railroad inasmuch as the same promise was made months ago relative to the street.

Second avenue is to be relieved of the congestion that has been caused by the placing of the parking meters on the north side of the street and the meters are to be removed and "no parking" rules enforced on the north side of the avenue. This will be good news to those who have tried to pilot a car through a maze of trucks, cars and what have you.

### T-H-O-U-G-H-T-S

He hath filled the hungry with good things; and the rich he hath sent empty away.—Luke 1:53.

Riches either serve or govern the possessor.—Horace

## WITH THE SERVICES

### Warren Man Serving With Soviet Troops

Sgt. Robert L. Toner, son of Mr. and Mrs. Harry S. Toner, 338 East Fifth avenue, is now serving with the Eastern Command of U. S. strategic air forces in Europe, somewhere in Russia.

According to a special report received from the USSTAF headquarters, he is serving with a contingent of picked American troops that now staffs U. S. bomber and fighter bases in the Soviet Union.

Sgt. Toner was among troops dispatched to the Soviet Union by the Army Air Force and with their Soviet allies, built bases in what high ranking American officers described as "a surprisingly short time." Now soldiers of the two nations jointly operate them.

Major Eugene H. Callahan, base commander, points with pride to the wholeheartedness with which the Americans and the Russians cooperate and their earnest endeavor to understand each other and to learn each other's language.

"We are surprisingly alike in our savvy of mechanics, in spontaneous wit, our like of entertainment and earnestness of purpose," the officer reports. "We're getting on splendidly."

Red Army soldiers and women greet the Americans with: "Good morning; how are you?" The Americans answer: "Kharasha!" or just plain, "Okay!" They mean the same thing and everybody knows both now.

The men and women work side-by-side servicing heavy bombers and American fighters now knocking Germany and her satellites about from the east. The AAF now encircles Germany, from Russia, England and Italy.

### INJURED MARINE KNOWN IN WARREN

Mrs. Douglas F. Hickok, of Bradford, who is the former Gretchen Heasley, of Warren, has learned from her husband, Lt. Hickok, that he was wounded while serving with the Marines on Saipan but is recovering nicely. He writes:

"My recovery is a fast one and for the past week I have been listed as a walking patient. Being expertly taken care of."

The official war department notification received by Mrs. Hickok stated her husband had been wounded in action July 2. He is a patient in an U. S. naval hospital somewhere in the Pacific and expected to be there about ten days.

### WINGS FOR GUNNER

Another large class just graduated from the AAF Training Command's aerial gunnery school at Harlingen Army Air Field in Texas, included Peter A. Fontera, son of Mr. and Mrs. John Fontera, 29 Brown avenue, Clarendon, who received his silver wings as a gunner and was promoted to private first class. According to word received from the school, unless he is retained at Harlingen as an instructor, he will join an aerial combat team.

### LAREDO GRADUATE

John L. Frontera, whose wife lives here and whose father is John B. Frontera, of Saybrook, was graduated last week from the AAF flexible gunnery school at Laredo, Texas, and now has his silver gunner's wings and is a private first class. He is now qualified to take his place as a member of a bomber combat crew.

Word has been received that Pfc. Fred L. Swanson, son of Mr. and Mrs. Manning Swanson, of Pittsfield, has landed safely in Italy.

### Local Boys Have Visit With Pals From Warren

Mr. and Mrs. Charles Pirillo, 831 West Fifth ave., have received the following V-Mail letter from their son, Pfc. Nick Pirillo, which will be good news to relatives of a number of local boys with whom he chatted previous to writing the July 26th from "Somewhere in France."

"Just listen to this! Tommy Evans, Frank Carvella, Jimmy Goffido, Earl Rossman, Al Springer, Dave Deardorff. That is just a few of the fellows from home that I met this afternoon. They are really looking swell. Mother if there is any chance of you letting their parents know that they are well, but will not be able to write for a few days please do."

"Pfc. Nick Pirillo, France, July 26."

### Cpt. Anderson Forms Library For Air Force

On interest to many friends in Warren and vicinity is announcement from Southern Field, Americus, Ga., that Capt. Henry V. Anderson, special services officer and former local athlete, has left there to attend the AAF Special Services school at Washington and Lee University in Virginia.

Purpose of this training program is to prepare such officers for a broad variety of activities which have to do with the general welfare and morale of military personnel and to render special services and assistance to the individual soldier, whose problems are many. A special course in recreational activities, social and athletic, is included in the training curriculum.

As special services officer at Southern Field, Capt. Anderson, with the full cooperation of the Graham Aviation Company, has established a library that compares favorably with libraries of large military posts. A spacious room in one of the cadet barracks, well equipped with comfortable furniture and adequate lighting facilities, is a haven of rest to the cadets after a busy day of routine activities. A wide collection of books has been received through the Victory Book League and through gifts from local citizens. Adequate magazines and newspapers are also available for all personnel of the post who desire to visit the library.

Before entering military duty as a director of physical training, Captain Anderson had been athletic coach of Lawrence Park high school in Erie, a school which had the financial support of General Electric's large manufacturing plant. Immediately before entering service with the AAF, he was doing graduate work in physical education at the University of Alabama.

Capt. Anderson is the son of Victor Anderson, 20 South Pine street.

### IS FLIGHT OFFICER

Paul Henry Carlberg, Jr., son of Mr. and Mrs. Paul H. Carlberg, of Sugar Grove, recently won his silver wings as a pilot and was promoted to the rank of flight officer in the Army Air Forces at Turner Field, Albany, Ga., where Col. John B. Patrick is commanding officer.

### GUNNERY GRADUATE

Cpl. Robert C. Johnson, son of Mr. and Mrs. Clyde Johnson, of Akeley, was graduated this week

from the AAF Training Command's flexible gunnery school at Buckingham Field near Fort Myers, Fla. Now qualified as an aerial gunner, he will soon become a member of the AAF bomber crews and will receive crew training at an operational field before going overseas. Cpl. Johnson has been in the army a year and was previously stationed at Laredo, Texas.

### CHAPLAIN WAS CHINESE MISSIONARY

Chaplain Arthur J. Dieffenbacher, infantry officer from Titusville, whose relatives here have been advised that he was killed in action in France on July 5, was born in Titusville April 29, 1909.

He was graduated from Academy High in Erie, Grove City College and Dallas Theological Seminary for religious training. Later he studied the Chinese language in Philadelphia in preparation for Chinese missionary work, going to that country in September, 1933.

He was a close friend of John Stam, who was beheaded by Chinese guerrillas. During his seven years in China he met and married Junia White, whose father was a professor in a Presbyterian college. He returned to the United States on furlough in August, 1940, and in 1941 a daughter,

Sara Junia, was born to them. Because of war conditions in China, he was unable to return there, his passport being cancelled.

He offered his services as a chaplain and, after acceptance, was sent overseas in the spring of 1942 with the U. S. Army. Besides his wife and daughter, he is survived by his mother, Mrs. Mildred J. Dieffenbacher, of Philadelphia, and one brother, Dr. Robert L. Dieffenbacher, of New York, who has preached here in First Presbyterian church on several occasions. The young officer is a nephew, also, of Mrs. L. C. Barnes, of Clarendon, and Mrs. G. W. Sweeting, of Warren.

According to word just received from Keesler Field, Miss. Pvt. Frank Joseph Plateroti, son of Mrs. Catherine Plateroti, 5 Buchanan street, has reported there for his AAF Training Command examinations to determine his qualifications as a pre-aviation cadet.

Mr. and Mrs. Sam Berardi, 11 Morrison street, have received word that their son, Charles, has been promoted to fireman first class and is now somewhere in the Pacific.

### YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

#### In 1924

A party of Warren people who have been touring the west with Dr. Joseph Danforth in charge of the tour have arrived home. They made the trip in a special car and report an excellent time.

Workmen of the Pennsylvania Gas Company have just completed the laying of 300 feet of new lines to new house erected in the vicinity of Laurel street and Pennsylvania avenue.

Work was started this morning on new garages for the State Highway Department on Pennsylvania avenue, west near Struthers street. The property was purchased from J. P. Jefferson.

Employees of the Nypenn Furniture Company enjoyed a picnic yesterday at Oakview Park. Horse shoes and other entertainment passed a happy afternoon and a picnic lunch was enjoyed in the pavilion.

E. L. Stein has arranged for an extensive remodeling scheme for his store. The store will be redecorated and rearranged while new, lighting fixtures will be installed.

#### In 1934

A heavy storm which swept over Camp Chedwell on Chautauqua Lake where a group of girls from the Lutheran church are in camp laid low most of the tents in the camp. Boys from the church had to go up to reset the tents and get things straightened up again.

Timely discovery of a telephone pole that had broken off and fallen across tracks of the Erie railroad at Columbus yesterday undoubtedly saved a wreck. The boy reported his discovery and it was removed. The boy's name was not secured.

Warren members of the Coudersport Consistory are planning on

attending a concert to be given their Sunday August 12. The organ soloist will be Edith Gregson and the Lutheran Church Choir of Warren will sing.

Tomorrow at Heart's Content a picnic will be held of all fire wardens, crew members and their friends. A snappy program has been arranged. Cream, sugar and coffee will be provided.

Tony Fanos has returned after spending some time at the Finger Lakes and Genesee Mountains. He reports a swell time and excellent fishing.

## Are you doing enough Home Canning? it takes a lot of food to feed a family!

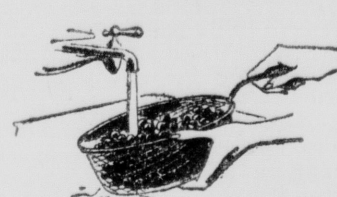

Next winter many foods may be scarce, because seventy per cent of the fruit pack and half the vegetable pack will be reserved for our armed forces and allies. That's why it's important for you to do as much home canning as possible. Can more in '44—and you'll find it easy—and economical in both ration points and money—to have delicious, well balanced and nutritious meals for all the family next winter.

Home canning is easy especially with your Gas range (and a sure way to save on your food budget. For prompt, authentic information on any phase of canning, call on the Home Service Department of your Gas company.

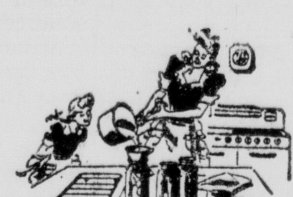

### 5 "MUSTS" IN HOME CANNING

1. Select sound fruit and vegetables as fresh from garden as possible, and grade according to size and quality.

2. Clean all vegetables or fruits thoroughly before you start to can. Use only those that are firm and ripe.

3. Can them speedily—not more than two hours from garden to canning.

4. Once you've started, don't let interruptions delay you. Food spoils quickly in warm weather.

5. Follow canning directions closely as to length of time and method. This is most important for best results.

### MANUFACTURERS GAS CO.

To help you solve dozens of problems in Home Canning, we've had a special booklet prepared by experts. You can secure a copy merely by writing or stopping in at your Gas company.

### The Sixty-Four Dollar Question

## SOCIETY NEWS

### Eleanor Peters Is Heard by Many

Including the season of special talents at the Warren Conservatory of Music, Eleanor Peters, of Mead, appeared before a capacity audience last evening to play her semi-annual program.

It is recalled that the judge of the National Piano Playing Tournament, here recently to conduct annual auditions, granted Peters the highest grade of "pupil playing for one of the best students I have heard this season."

Opening her recital with the Schumann Preludes and Arias, Peters built up the composition in an increasing tempo that brought it to a most effective climax. Two novelties, Dr. LeRoy Campbell's "Tome Poem" and well-known Banjo Pickers, were colorfully done for her second group.

Assisting artists were Margaret Davis, soprano, and Nick Geraci, violinist, each heard singly and also in a fine ensemble presentation of the beautiful Bach-Gounod Ave Maria.

Mrs. Drivas' first selection was the Silence of the Night by Schumann, followed by Vidal's "J'etais rayon." Both were done with excellent taste, fine voice and splendid repose. Edith Haines, who accompanied the singer in a playing artistic manner.

Playing the Concerto No. 1 in A minor by Beethoven, Nick Geraci, again proved himself Warren's leading young violinist, a position he has reached under the expert guidance of Philip Santoro. His selection was admirably presented and Miss Adelaide Swanson's accompaniment added just the right touch required for a most satisfying ensemble.

#### ANNUAL PICNIC OF STONE CLASS

Members of the May R. Stone class of the Presbyterian church met last evening at the Thurston cottage west of Warren for their annual picnic. A long table was set on the lawn overlooking the river. Features of the delicious dinner were a large baked ham, which was prepared by Mrs. W. H. Cannon, Jr., and frosted cakes, baked by Mrs. Marion Keiser and Mrs. Nina Cochran, which were served with ice cream. After dinner the guests congregated around the wood fire in the living room of the cottage.

Miss Hazel Thurston, hostess, was assisted by the following committee: Mrs. W. H. Cannon, Jr., chairman; Mrs. Clifford Johnson, Mrs. Marion Keiser, Mrs. George Calderwood, Miss Margaret Whitcomb, Mrs. L. P. Krespan and Mrs. Everett Eddy. The president requested members who have finished their blocks to leave them for Mrs. Arnold at 117 West Third avenue.

#### BIRTHDAY PARTY FOR PHILIP CERRA

Mrs. August Cerra, 107 North South street, entertained a group of little folks at her home from two until five on Friday to celebrate the sixth birthday anniversary of her son, Philip. Prizes for games went to Joan Hoffman, Frances Wooster, Chuckie Cox and Anthony Cerra.

A green and white birthday cake was the principal feature for the two course lunch which followed, circus tents in multi colors, favors and horns adding to the fun of the occasion. Guests were David Swanson, Dick Pasquzi, Frances and Becky Wooster, Dickie and Carolyn Rogers, Delores and Freddie Gelotte, Chuckie and Gerald Cox, Joan and Ronald Hoffman.

#### MARCONI BRIDGE

Mrs. William Mulvey and Mrs. Fred Weigel were high scorers for the five tables playing in last night's Marconi Club duplicate tourney, with Mrs. Albert Rockwell and Dr. R. H. Israel in second place; Mrs. Carl Hultberg and Mrs. H. A. Kornreich, third.

Announcement was made that the "Booster Night" will be observed at the club next Monday evening.

### CURTIS-BOARDMAN RITES ANNOUNCED

Announcement is made today that Miss Autumn Boardman, of Celoron, N. Y., and T/5 Roy H. Curtis, Jr., were united in marriage Saturday afternoon at two o'clock in St. Luke's church in Jamestown, N. Y. T/5 Curtis recently returned to the States after 20 months overseas and service in both Africa and England.

Mr. Donald Curtis entertained last Wednesday evening at the home of her mother, Mrs. Emily Snyder, at Venturatown to honor the bride-elect. Games were played and at a late hour Miss Boardman received many gifts for her new home in the form of a miscellaneous shower. A two course luncheon was served from a table decorated in pastel shades.

### SHOWER PARTY FOR LOIS EMERY

Mrs. John Ekey and Miss Gladys Judd entertained at the home of the former Friday evening with a delightful shower party which honored Miss Lois Emery, soon to be the bride of Robert Nielson. Guests, members of a Nazarene Sunday school class, numbered about 20. Refreshments were served from a table attractively done in green and yellow and presided over by Evelyn Miller. The bride-elect was showered with lovely gifts for her future home.

### DEMOCRATIC WOMEN ENJOY OUTING

There was a record attendance for summer events at the picnic held last evening at the Warr-Penn by the County Federation of Democratic Women. Ruby Merkle, of Pittsburgh, a former member, was an out of town guest. Since the first Monday in September is Labor Day, that meeting was postponed one week and will again be in the form of a Warr-Penn picnic, with husbands of members as guests.

### WOMEN OF MOOSE

Warren Chapter, Women of the Moose, will have its regular meeting in the Moose Temple Wednesday evening with an executive committee session at 7:30 and further business at eight o'clock. All committee chairmen are asked to bring their reports of work done in July and each is reminded to bring her gift for the stork show-off to follow.

### TINY GIFT SHOP

Customers will be pleased to find two sizes of Plate Hangers for your decorative wall plates. 8-8-11.

### MILLER AND FRAZIER MARRIAGE LEARNED

Announced today is the ceremony on August 2 in Charleston, S. C., which united in marriage Pfc. James C. Miller, son of Mr. Mrs. James Miller, of North Warren, and Irene Frazier, daughter of Mr. and Mrs. Arthur Frazier, of Taunton, Mass.

Pfc. Frazier is attached to a hospital ship which has recently returned from Naples and his wife remains in Charleston with him until he returns to duty. She is employed in Taunton and will reside with her family for the duration.

### BIGELOW-MUNCH MARRIAGE TOLD

Miss Vera Charlotte Munch, daughter of Mrs. Charles O. Munch and the late Charles O. Munch, of Warren, and Cpl. Benjamin E. Bigelow, son of Mr. and Mrs. Elmer Bigelow, of Dunkirk, N. Y., were married July 30 in the First Lutheran church here, Dr. H. A. Rinard performing the ceremony. Cpl. Bigelow is stationed at Fort Reno, Okla., and Mrs. Bigelow will remain in Warren for the present.

### GIFFORD-LOUNSBURY RITES OF INTEREST

Word has been received here that Mrs. Frances Lounsbury and Howard Gifford were united in marriage by Rev. Haines in the Methodist parsonage at Salamanca, N. Y., Friday evening, August 4 at nine o'clock.

Mr. Gifford, formerly of Warren, is now employed by the Fancher Furniture Company in Salamanca. Mrs. Gifford also holds a responsible position with the same firm. They will make their home at 23 East street, Salamanca.

### LACY TEACHERS ENJOY REUNION

The eighth annual reunion of the Lacy school teachers was held at Cheney's Point on Lake Chautauque, entertained by Mrs. T. K. Larson, who, with her committee, served a bountiful dinner.

Officers elected for the coming year were Mrs. Larson, president; Miss Eva Brown of Sheffield, secretary. Appointed as a committee for next year's get-together were the Misses Helen Olson, Alice Anderson and Mrs. T. H. Conway.

### WILLING WORKERS

North Warren Willing Workers will picnic tomorrow at the Loper Farm, with dinner served at one o'clock. A large attendance is anticipated.

### LEGION AUXILIARY POSTPONES MEETING

The regular meeting of the American Legion Auxiliary, scheduled for this evening, has been postponed to Tuesday, August 22.

### REBECCA SOCIETY

Rebecca Society members of St. Paul's Lutheran church will be entertained at 2:30 p. m. Thursday at the home of Mrs. Alfred Holmberg, 3 Myrtle street.

### BIRTHS

Visiting Hours: 2:30 to 3:30-7:00 to 8:00 p. m.

### At Buffalo

Word has been received that Mr. and Mrs. Peter Blasio, 102 1/2 Schiller street, Buffalo, N. Y., are the parents of a baby boy. Mrs. Blasio will be remembered as the former Miss Louise Mitchell, this city.

### At Maternity

Pvt. and Mrs. Robert Newman, 15 Prospect street, a son August 7.

### EVENTS TONIGHT

6:00, Ruth Circle picnic at Crescent Park.  
6:00, Bethel Class picnic in Lutheran parish house.  
6:30, BPW picnic at Blackman cottage.  
7:15-8:15, PAC swim at "Y" pool.  
7:30, IOOF Lodge.  
7:30-9:00, Co. I drill at the armory.  
8:00, Royal Arcanum.  
8:00, Philathea Cass at Calvary Baptist.  
8:00, St. Paul's teachers, Carl J. Johnson home.  
8:00, IT Class at Granquist home.

## Playground Difficulties are Overcome

Borough council at its regular meeting Monday evening heard an encouraging report from Joseph DeFrees, chairman of the park commission, which is directly responsible for management and maintenance of the borough playground areas.

Mr. DeFrees acknowledged that recent supervisory difficulties had been overcome and that five volunteers had been secured to assist in making the evening program at the playgrounds a full five-night a week schedule.

These volunteers, secured when a plea was made through these columns for assistance in this vital project, were Georgia Spinney, Corynne Peterson, Dorothy Peterson, Mary Maniakas and Mary Jane Lorenz.

Mr. DeFrees asked and council approved allotment of an additional \$100 to cover expenses for the remainder of the playground season.

He announced with regret the termination of Henry Kolpien's services as playground supervisor, his resignation as physical education instructor having been accepted at last week's special meeting of school board.

So far no supervisor has been secured and again Chairman DeFrees is asking for volunteers. Only a short time remains until the season ends and school resumes and it is believed that such an appeal will bring a response from some person qualified to carry on in that brief interval.

## TIMES TOPICS

### ELKS ENJOY OUTING

About 200 members of the Warren Lodge of Elks enjoyed the annual picnic held last evening at the Marconi Outing club. The chief feature of the program was the barbecued chicken dinner with all the trimmings.

### STAG PICNIC

Warren Council, Knights of Columbus, has completed final arrangements for its stag picnic to be held at the Hemlock community house next Sunday. Those wishing transportation are asked to meet at the clubrooms no later than one o'clock.

### GOING TO COAST

Alfred Eugene Whyte, of Corydon has been accepted for work on the Pacific Coast in a shipyard of the Navy at Point Hunter, San Francisco. He will leave soon for Pittsburgh and then will have Pullman reservations for the trip westward. The young man responded to an appeal made by the government for men to work in shipyards of the Navy. Whyte feels that he can do more toward winning of the war at work in the shipyard. Uncle Sam has two representatives in the city at present and they can be contacted at the office of the Manpower Commission. All expenses are paid to the west coast and first class accommodations are provided.

## Obituary

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 5 and 7 to 9 p. m.

### MISS GERTRUDE SEE

Miss Gertrude See, of 511 Fourth avenue, passed away early this morning after having been in failing health for the past six months. She was born in Bradford and spent most of her life in that city prior to coming to Warren about ten years ago.

Removal has been made to the Lutz Funeral Home. Plans for services in her memory will be published tomorrow after her nephew, Lawrence Riley, has arrived from New York City.

### MRS. EMMA SCHROEDER

Mrs. Emma Schroeder, born in Canonsburg on February 7, 1874, and former resident of Homestead Park, Pittsburgh, died at 2:10 a. m. today at the home of her daughter, Mrs. Norman Honhart, 101 East Wayne street. Besides this daughter, she leaves the following children: Walter, Orangeville, O.; Kathryn, Homestead; Mrs. W. J. Jones, Homestead; Park; William, Sugar Grove; Pfc. Frank, Jersey City, N. J.; Carl, Akeley. Also surviving are seven grandchildren and the following brothers and sisters: Walter Schmidt, Henderson, Colo.; Frank Schmidt, East Palestine, O.; Julius Schmidt, Elizabethtown; August Schmidt and Dora Schmidt, Canonsburg; Mrs. W. F. Porter, Washington, Pa.

Funeral services will be held from the Lutz Funeral Home at three o'clock Thursday afternoon, with interment Friday morning at the convenience of the family.

## Personal Paragraphs

Dr. and Mrs. LeRoy B. Campbell, West Fifth avenue, left today to spend a week or ten days at Chautauque and visit relatives in Buffalo.

Among those who came from away to attend the funeral of John Sandy Pace on Saturday afternoon were Mr. and Mrs. J. A. Lundmark and son, Gerald, Erie; Mr. and Mrs. Alfred Rinfrette, Marjorie and Barbara Rinfrette and Benjamin Hooker, Bradford; Hummer and Daniel Ciperano, Lackawanna, N. Y.; Mrs. Milton Healy, Garland; John DeFazio, Joe Susie and Joe Teeco, all of Lewis Lawn.

Miss Mary Trumble, guest at the Watson Memorial Home, was admitted to Warren General Hospital Monday after x-rays were taken to determine extent of a hip injury received in a fall.

Mrs. Minnie Scallie, 1123 Sechrist street, was given first aid treatment at Warren General Hospital Monday morning for a laceration received when she caught her left hand in a wringer.

James Couse, 15, of Pleasant township, was treated at Warren General Hospital for a gunshot wound on his right foot, received Sunday evening when a 22 rifle he was carrying was discharged and the shot penetrated one of his toes.

John Smith, 415 Chestnut street, was struck by a piece of steel at the Struthers-Wells plant Monday and was given emergency treatment at Warren General Hospital for a laceration over his right eyebrow.

Mrs. Jacob Royek and daughter, Ann Marie, of Corry, spent Sunday with their daughter and sister, Mrs. Stanley Olander, at Irvine.

Mr. and Mrs. A. Martin Hill, of Charleston, W. Va., have returned home after spending some time visiting friends and relatives in Warren and Jamestown.

Henry Abplanalp, well known local milk dispenser, reports seeing a 200-pound black bear a few days ago near Onoville.

Mr. and Mrs. William Fosberg and daughter, Janet, have returned to their home in Detroit after having spent the past week with

### Chapter 1

THE taxi starter noticed the girl because the big sou'wester looked incongruous in an inland city. A black slicker flapped wetly around her ankles. She stood alone at one end of the dark rain-swept platform—obviously off the 6:08 from the south because even under the great enveloping hat, he could see she was too deeply tanned for May this far north. She wasn't exactly pretty, but there was something attractive about the small-boned delicate features, and about the way she carried her slight shoulders leaning into the wind and rain as she came down the platform toward him. Twice she stopped and looked back uncertainly, as if hoping to find some welcoming figure following her.

The starter felt an unaccounted tug of pity. She looked so forlorn and alone there under the hard bright light of the station. "Folks not meet you, miss?"

She swung toward him and smiled. Her teeth were a white line against the brown, her eyes blue-purple. Maybe she was pretty.

"I'm afraid my father didn't telegraph," she said. "He gets excited before he goes on an expedition. I'd better take a taxi, I suppose." Her voice had a throb in it as if she were excited, too. Or scared.

The starter whistled to the line of waiting cabs, and a cloud of steam billowed out behind the first one.

"Guess comin' up into this cold rain's kinda tough, ain't it?" Her mobile brows peaked in surprise. "Oh, no, I'm used to being wet. You see I live on a boat."

"Honest?" His tone quickened with interest. "Gee, I've wanted to do that all my life!"

"I have done it all my life," She shook her head. "It's not really exciting. Being in a city is!" The throb changed to a quiver now.

She was afraid. "Got any baggage, miss?" "I forgot!" She put them in the station. Two bags—they've got Blue Dolphin stamped on them."

THE taxi slid to the curb and the girl got in. A moment later the starter was back, carrying a canvas dunnage bag in each hand, muttering, "Well, if she didn't mean bags."

"Stow them here, please." She indicated the space at her feet. "You're very kind. Won't you let me—give you something?"

Cruising with Cappy aboard the "Blue Dolphin" Lucky had begun to dream of a world she didn't know.

bubble because she'd reached out to touch it.

She tried then to still her forebodings by repeating what Cappy always said when things went wrong. "Never been a storm yet that ain't blown itself out."

She thought wistfully of Cappy's round, bronzed face with its straggling grizzled mustache. It was Cappy who'd taught her to hold stone decks and splice rigging and make a monkey's fist for the end of a heaving line. It was Cappy who'd taught her to cook, and even, with triangular salt needle and palm, to sew. Her father had taken care of her education, but Cappy for most of her twenty years had mothered her. She couldn't dissociate his little round figure, in frayed white ducks held up by a length of Manila, from the years spent drifting around the West Indies, lingering in small native ports, swimming, diving, fishing, sailing.

IT WAS only this last year she'd developed curiosity about the outside world. As she caught glimpses of life aboard the big yachts that passed in the winter season, or on the smaller yachts they sometimes tied up near during their brief fitting-but stays in Miami or Nassau or Kingston, curiosity was tinged with wistfulness.

of a houseboat in Key West. Finally the dream obsessed her. Because of it, she twisted her courage to consider a visit to her uncle while her father went on an expedition in Mexico. Her Uncle Frank had often expressed a desire to see his dead sister's child. He'd even suggested, in a letter last winter, giving her a debut like his daughter Di had had several years ago. It was the thought of a debut that settled it.

It sounded just like a book. The taxi swerved in through high stone gateposts to a big house set back in gardens. "This must be it. There wasn't no Number 10."

The girl leaned forward, her eyes wide and anxious, taking in the winged spread of the house. Lights in every window gave it the air of festivity her dream had expected. Eagerness and panic fought for her heart. The small brown hands clasped tighter in her lap. She couldn't turn back now.

She went slowly, almost reverently, up the steps.

To be continued

Here Comes Charley

## S-P-O-R-T-O-R-I-A-L-S

(By Joe Gardner)

According to the Jamestown papers, the Old-Timers' baseball game which is on tap for next Sunday, August 13, at 3:30 p. m., at the new stadium will be one of the most outstanding events of its kind in the city history of Jamestown sport events.

"Swat" Erickson, Hugh Bedient and "Bustin' Bill" Wright, assisted by a couple dozen other famous old-timers, will oppose a group of Warren county veterans led by "Pike" Peterson, "Art" Johnson, "Pikey" Wright and "Rabbit" Swanson in what is generally hoped will be a baseball game. Come what may, the game should act as an excellent medium in helping to cement the long standing friendships of many years of sports rivalry between two darn nice towns.

The return game, which will be played on the State Hospital diamond on September 2 at 2:30 p. m., will be the final sports event of the season at the big institution.

"Vic" Swanson has promised us that the same lineup of old-time stars used at Jamestown will be seen here on September 2nd.

Please check in with either "Pikey" Wright, Myron Jewell, "Pike" Peterson or "Sammy" Cosmano. Those who can will drive their own cars, as only a few cars are available to make the trip so far. Anyone who intends to drive up and has room for players can get in touch with Myron Jewell at the Warren Savings Bank.

### Letters to Sports Editor

August 8, 1944

Dear Sir:

I am a loyal National Forge booster, haven't missed a game this season with exception of Sundays game against Buffalo. Bell Aircraft team, Saw free game Saturday and thought I had seen all that Buffalo had in one day. Decided to see Buffalo Colored Giants against Struthers. It was a repetition of Forge-Bellaircraft game. Too much power and pitching for weak Struthers outfit as was case of Forge against Bellaircraft. Teams of Buffalo Colored Giants and Forge should meet in a game and fans would see base ball as it should be played. Teams would be evenly matched with a slight edge favoring the team that would get breaks. Fans who saw game were of the opinion that Colored Giants would defeat Forge but you probably could get Forge money at even bets. Lets get together and make this game a reality, Forge or Giants, lets have it.

Forge Fan.

Dear Editor:

In answering the statement that was put in your paper last night in regards to the National Forge team. It is too bad that Kleenex is a hard item to get as I would send them a whole case of it. The poor kid babies would need it. You know that team reminds me when I was a kid and how a gang of us would play and fool around. Then as it generally turns up a fight comes out of it. Then the kid that

### SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, Aug. 8—(P)—The Giants drew 15,299 fans (13,847 paid) for their Sunday doubleheader with the Phillies. Esquire's all American boys game yesterday attracted 17,803 and a lot of people who paid for tickets didn't go... with due allowances for the effects of promotion, that indicates a healthy interest in the old-fashioned American game of baseball-for-fun... it was a good show and this dept. hereby votes against the suggestion that futures games be staged as preliminaries to the major league all star fests. The kids showed they could stand on their own feet.

Polo Grounds Patter

Wonder how many years it has been since Connie Mack and Mel Ott, who managed the two kid squads, have seen anything like the mob scene the youngsters in the stands put on after the game... some players weren't allowed to head for the showers for fully 20 minutes... standouts we noticed were the starting pitchers, Bill Pierce of Detroit and Virgil Jester of Denver; Leo Reming, Boston shortstop, who pulled off a and Herb Pollock of Columbus, O., couple of very fancy fielding plays in center field and Chuck Perchak of Chicago and Vic Pacetti of San Francisco at bat... where the 14 to 17-year-olds showed their age was in occasionally letting the ball roll around the plate, recovering slowly after errors and crossing up their signals in the field. But even big leaguers do that sometimes.

Short Short Story

In one respect, Messrs Mack and Ott did a perfect job of managing; they got all 23 players into the game... but when one pinch hitter took three strikes, a scribe from his home town moaned: "That's my story for today."

## Sylvanians Win From Grace In Exciting Mushball Game

One of the most exciting games witnessed this season was played last night as the Sylvanians upset the Grace Methodists, 8-7. Fine mushball was exhibited by both clubs.

The churchmen failed to score in their half of the first, but the bulbmakers let go with a three run rally. Mira got on base on an error, Albrecht walked, and Carrick and Malec each singled to give the Sylvanians something to work on. In the second inning Grace again failed to come through as the Sylvanians boys chalked up another to make the count 4-0.

The Gracemen accounted for one in the third as Frankowski doubled and was driven in by Brown's double. They gained their control as Sylvanians couldn't score in its half of the third.

The Grace team crossed the plate with another tally in the fourth to the score 4-2. Sylvanians also came through to score one in

its half of the fourth. Hites doubled, Brown got on base on an error, and Eldridge tripled. The count then stood 5-2.

In the fifth, the Gracemen crossed the plate with two more. Moore walked, Armstrong and Greenlund singled to make the score 5-4. The Sylvanians could not come through in its half.

Not until the eighth was there any scoring. Baldensperger, Farrell and Frankowski, singled to bring in two more to put the Meth. odds out in front for the first time in the ball game. Hopes were shattered as the Sylvanians, with two singles, a fielder's choice, and two errors, crossed the plate with three runs to put them back in the lead 8-6.

The Methodists made a last stand in the ninth as they scored one. Brown scored and Armstrong was tagged out at home plate for the last out.

The box score:

A doorless pre-fabricated portable garage has been developed which permits entrance and exit of automobiles by tilting one end of the garage with weights and pulleys.

The brown jay of northeastern Mexico not only screams like other jays, but also hiccups like humans.

### RED RYDER

## Jamestown All-Stars Will Play Struthers Wednesday

Th Warren fans are in for another baseball treat Wednesday evening when the Jamestown All-Stars will hook up with the Struthers-Wells club on Russell Field at 6:15 o'clock. This is the same club that beat the Welders in a game under th lights last Wednesday and is the same club that will represent New York state in the semi-pro tournament at Wichita, Kansas next week.

Their lineup is studded with stars from all the teams in the Jamestown City League. Such outstanding players as "Les" James formerly with the Pony League, "Al" Shaffer, former Pony League pitcher with Olean and Jamestown and the boy who held the Struthers outfit to three hits last Wednesday, Cocoran another Pony league pitcher, Carlson and Dimas from the Newberry club, "Lefty" Pratt, Rosean, and Miller from the Vikings and Brown, Joey Nagle, Johnson, Quinn and DuBois from the Hope Windows.

Although this club took the measurement of the Struthers outfit they feel confident that with a break or two they can reverse the decision Wednesday. Schussler will probably get the nod for the pitching assignment with Marlett or "Al" Bonavita doing the receiving. If Schussler works the way he did last week against the Newberry team, the All-Stars will be

in for plenty of trouble. Manager Swanson has indicated that his lineup will be the same with the exception of left field which was left vacant when President Hering of the Hornell Pirates thought enough of Charley McLean's actions to sign him up on the spot last Sunday. However "Red" will start Lucia in left field and with the ground that he can cover left field should be well taken care of.

## Baksi Takes a Split Decision From Savold

By JERRY LISKA

Chicago, Aug. 8—(P)—Without causing Champion Joe Louis any particular "G.I." unrest, youthful Joe Baksi last night methodically punned Lee Savold off the wartime heavyweight top row in a 10-round scrap witnessed by a disappointingly small crowd of 16,135 at Wrigley Field.

Covered with Savold's blood, the 22-year-old ex-coal miner from Kulpmont, Pa., bull-shouldered his way to a second decision over the

battling merchant mariner in three meetings this year.

Baksi, outweighing his foe 213 3/4 to 199 pounds, lured Savold into constant in-fighting which touched off frequent boos, but won the ranking civilian heavyweight the nod of Referee Walter Brightmore and one of the two judges. The other judge voted for a draw.

The 27-year-old Savold, bleeding profusely from the nose and a cut over the left eye after a third round cuffing by Baksi, perked in the fifth to rock the rugged Pole with several stiff lefts to the jaw. But Baksi recovered quickly and the rest of the battle was marred by clinching which went entirely against the outweighed Savold.

Five rounds went to Baksi, two were even and three were taken by Savold.

## PAVOT OWNER TURNS DOWN \$100,000 OFFER

New York, Aug. 8—(P)—Walter M. Jeffords, of Philadelphia, has refused an offer of \$100,000 for his unbeaten two-year-old colt, Pavot, winner of \$22,475 in capturing the first four starts of his career.

The offer was made by Sol Rutchick, trainer of the Havana stable, after he watched Pavot win the U. S. Hotel Stakes at Belmont Saturday.

## SANDLOT "ALL-STARS" PLAN AUDITION GAME

Philadelphia, Aug. 8—(P)—Sandlot baseball players with big league aspirations will play an

## U. S. Heavies Strike

Hard Over France

(From Page One)

The midnight bombardment formed one of three separate phases in aerial support given Gen. Eisenhower's advancing armies.

In the Avanches sector, the British second tactical air force destroyed 81 tanks and damaged 54. The U. S. Ninth Air Force destroyed 26 and damaged a large number.

All operations over France yesterday and last night totalled more than 4,000 offensive sorties.

## BULLETINS

(From Page One)

Kansas City, Aug. 8.—(P)—Kansas City churches will hold thanksgiving services on V-Day, the day hostilities cease in Europe.

San Francisco, Aug. 8.—(P)—Government monitors here heard a broadcast today from Chungking giving a brief bulletin from the China central news agency reporting a raid by a force of B-24 Liberators against the dock installations at Shanghai. The broadcast made no claims as to damage.

## Tokyo Says Raid

Made on Philippines

(From Page One)

area, too, they have made gradual advances and have revealed their plan to threaten our lines of communications with the southern region." He called on the people to arm.

(A single American B-24 bomber raided Shanghai today, the Japanese Domei agency reported in an English language transmission.

The transmission, recorded by the Federal Communications Commission, said that "only very slight damage had been caused."

(Another Tokyo broadcast said Japanese forces had completely occupied Hengyang, Chinese rail city which has been under bloody siege for six weeks.)

## MORE PARALYSIS CASES

Pittsburgh, Aug. 8.—(P)—Three new cases of infantile paralysis were reported yesterday by the city health department, bringing the total hospitalized here to 94.

## SOCIAL EVENTS

## PANG AND WEISS

FAMILY REUNION

Members of the Pang and Weiss families held their 17th annual reunion Saturday afternoon, August 5, at the home of Mr. and Mrs. Axel Weiss, Chandler street, Jamestown. All members were present with the exception of Rev. A. L. Pang and family, of Warsaw, N. Y.

A bountiful tureen supper was served, followed by a short business session in charge of Mrs. Amelia Pang, president. Historian O. R. Pang read reports of last year's progressive mail-order reunion and also communications from relatives in Nebraska. Beverly Mathis, aged seven, sang a solo and also several duets with her mother, Mrs. Paul Mathis, of Warren. Conditions permitting, another reunion was voted for next year.

## S-Sgt. Gafner

Flying Over

Europe Lost

Mr. and Mrs. Fred Gafner, 312 Park street, have learned that their son, S/Sgt. Robert Gafner, is reported missing in action over central Europe.

The word came to them through Sgt. Gafner's wife, who resides in Los Angeles, Calif., the message containing only the news that he was missing, between July 21 and 23rd.

Radio operator on a B-24 Liberator, Sgt. Gafner has been overseas since late in May. The last letter from him, which came July 16, informed his parents he was participating in missions over northern Italy and Czechoslovakia.

Brother Is Killed in Italian Zone

Mrs. William Wholeben, of Clarendon RD 1, has received the sad news that her oldest brother, Sgt. Quin

## Limitation Order Placed On Use of Lumber Products

Because of the critical shortage of lumber, the War Production Board has placed in effect a limitation order (L-335) for the overall control of this basic material.

Ralph W. DeLancey, manager of the Erie district WPB office explained today.

Since the order affects virtually all users of lumber, Mr. DeLancey summarized the essential provisions of it to assist consumers in complying with terms of the regulation. He pointed out that lumber is the last of the basic production materials for which a serious shortage has appeared. Chief factors in this shortage are the tremendously expanded war needs; wide substitution of wood for metal; and the production limitations created by manpower and equipment shortages.

The new control concerns all users of lumber, wholesale and retail distributors, and all but the very smallest of saw mills. Mr. DeLancey explained. It affects the householders who use lumber for a shelf or a bookcase or for a new porch floor as well as the large industrial consumers who use lumber in manufacture of shipping boxes and crates, ships and motor trucks, furniture, agricultural implements and almost countless other items. Consumers are placed in four groups according to the quantities of lumber and the purposes for which they use it.

The order sets up the procedures under which saw mills deliver lumber; distributors receive and deliver lumber; and all consumers receive lumber. Mr. DeLancey ad-

vised all consumers who are in doubt of the provisions of the lumber order to promptly contact.

Some 50 species of lumber are produced in scores of grades and sizes by approximately 37,000 saw mills. About 40 per cent of all lumber is distributed by wholesale and retail yards, numbering over 25,000. Directions and directives will be issued as situations arise to take care of sudden war needs for either larger quantities of lumber or for special items. Conversely, they will provide for the release of certain items for relatively less essential civilian uses when the demand-supply situation warrants such action, Mr. DeLancey explained.

Since a large percentage of the nation's lumber moves through distribution yards, control at this point will effectively corral the lumber coming from very small mills. With control of the mills and distributors, the small saw mill will either sell on a direct authorization or to the distributor. The distributor, in turn, will have to sell on certified orders except for specific quantities which will be allocated for uncertified orders to take care of the small consumer, Mr. DeLancey reported.

Military demands in Europe have stepped up demands for lumber and have aggravated an already serious shortage. For example, lumber used for shipping rose from 5,500,000,000 board feet in 1941 to 9,546,000,000 board feet in 1942; to 16,500,000,000 board feet in 1943. The 1943 figure is approximately half of all the lumber produced

in that year. Total shipping requirements for 1944 cannot be anticipated but they will be well over 17,000,000,000 board feet.

Mr. and Mrs. Fred Bills have heard from their son who is with the U. S. army in France. Sgt. Ralph Bills relates with considerable pride, that his bomber group has received the Presidential citation for excellent performance.

A refreshing rain has watered this thirsty valley and vegetation is again showing life.

The Woman's Auxiliary met at the Bairstow home with a good attendance on Wednesday afternoon.

Mr. Tripp is putting a good looking roof on his residence.

Clara Schell is spending her vacation with relations in this vicinity.

Mrs. George Tyler and daughter, Mrs. Joseph Matych of Chicago, have arrived in Pittsfield and will spend a few weeks in their home there.

The dinner sponsored by the Woman's Auxiliary and held at the home of Mr. and Mrs. George Fish was well attended and a nice little fund realized.

Robert Palmer enjoyed a week-end furlough with his parents here.

Jesse Smith of Warren, stopped for awhile in Garland on Tuesday.

Henry Danielson was in the village recently in the interests of the Township Service Club.

There will be no services in the Presbyterian church during the month of August. Dr. Prout is to take a very much needed rest. The

Salbath School will hold their sessions as usual at ten a. m.

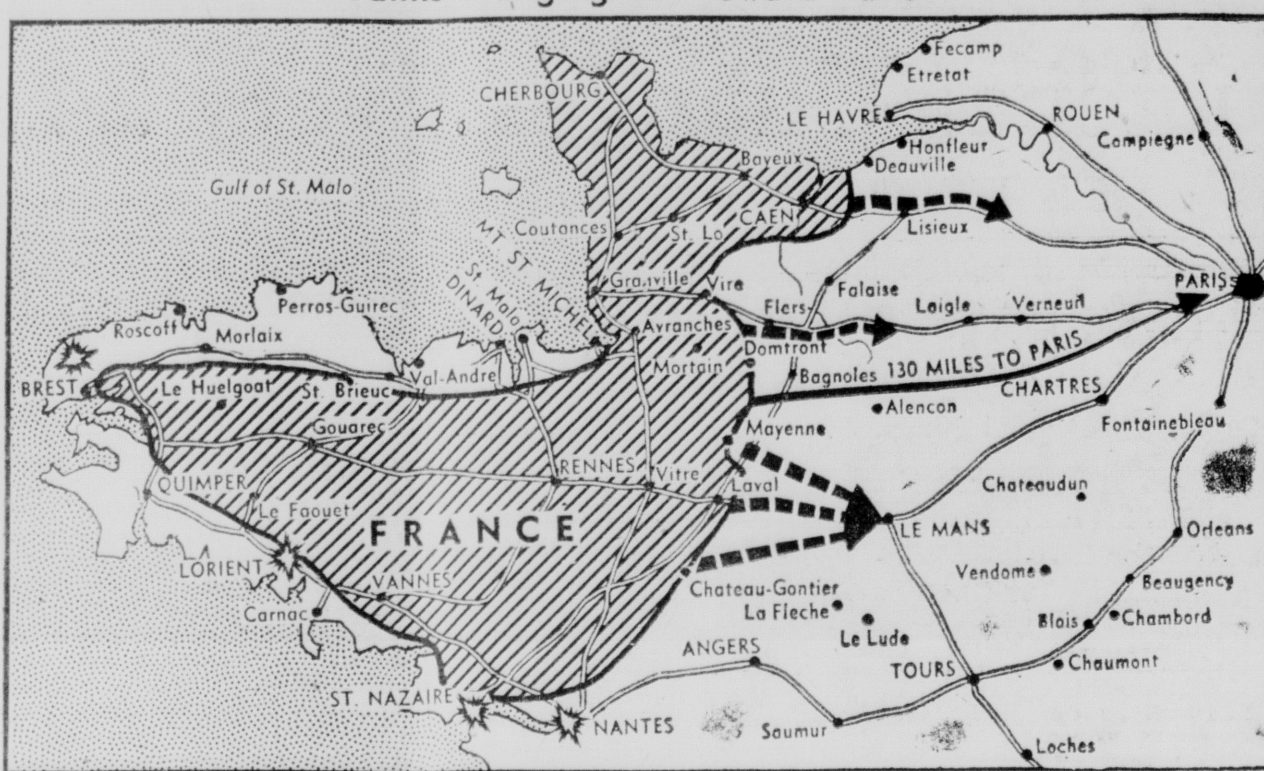

Several Garland residents are working in the oil fields on Garland Hill.

Farmers are beginning to dig their early potatoes.

Mr. and Mrs. Joe Taydus have had word that their son, Walter is now with the Medical Corp in France.

### GARLAND

### Yanks Plunging On Toward Paris

American forces are plunging eastward toward Le Mans and German resistance to the British and Canadians below Caen is cracking as the battle for Paris opens in those two sectors. Brest, Lorient, and St. Nazaire are last-stand holdouts on the Brittany peninsula.

The little daughter of Mr. and Mrs. Richard Litzinger, who was critically injured when she was struck by a passing motorist, is showing some improvement in the Warren Hospital where she is a patient.

State gasoline and other motor fuel taxes yielded the state \$20,003,897 in 1942, while in 1943 this revenue dropped to \$16,186,713.

A 150-pound motorcycle which can be dropped from a plane on a standard parachute has been developed.

Designed for measurement of oil and coolant temperatures in aircraft, a unique moving-magnet ratio instrument has been developed which is adaptable to measurement of ohms, current ratios and voltage ratios.

A good attendance was present at the canning class Monday evening. Preparing food for the locker was the lesson and string beans

### LANDER

Lander, Aug. 4—The Lander W. S. C. S. met at the Community House Wednesday afternoon with twenty-four members present. Hazel Ludwick presided and Dora Van Ord had charge of devotions. A bill of two dollars for cleaning was ordered paid. It was voted to wash dishes for the Mahan reunion to be held Aug. 12. Leona Walter, representing the service club asked anyone wishing to donate cookies to be sent in boxes to boy in service to leave them with her. Boxes will be packed next Wednesday afternoon at her home. Program consisted of a piano solo by Eleanor Ludwick and readings by Mae Bishop, Lois Lindell, Mertie Fuller, Clara Burgett, Hazel Kays, Mildred Swanson. One visitor Nora Hinsdale was present. Lunch was served by Florence Ludwick, Hazel Ludwick and Eleanor Ludwick. Money received: dues \$5.00, penny collection 68c, rummage sale \$1.25.

Put Richard Beck left Tuesday evening for Fort Meade after spending a furlough with his parents, Mr. and Mrs. Ernest Beck.

A good attendance was present at the canning class Monday evening. Preparing food for the locker was the lesson and string beans

were canned. The next less will be held Monday evening with pickles as the subject.

Mrs. Bernard Englehart and children of Warren were dinner guests of Mr. and Mrs. Otis Whi Sunday and also called on other relatives here. Mrs. Genevieve Gruber has returned to her work at the Public Assistance office Warren.

### Grange News

#### PLEASANT GRANGE

A good program is in store for all who attend the regular meeting of Pleasant Grange at 8 p. m. Wednesday and a large turnout is hoped for.

It is reported that about 60 persons were present for the birthday supper served recently, when lovely birthday cake called attention to all having anniversaries at a special table honored the members serving in the armed services. This table was particularly attractive in flags, miniature soldiers and sailors and playing cards bearing the names of those absent. The very pleasant evening was concluded with dancing.

Add carbonated water to fruit punch just before serving it to have the water retain the "sparkle"

# WEDNESDAY 'TIL 1

Each Wednesday those stores which close at 1 P. M. offer "Morning Specials" to stimulate activity and make it worth while for Warren shoppers to be out early. These are selected items of unusual value and timeliness, offered at special prices for Wednesday "til 1." Shop in the "Wednesday 'Til 1" stores, and watch this page for Wednesday Morning Specials.

The old clock on the Court House tower, surmounted by Blind Justice with her Scales, has been striking the hours for Warren folk for sixty-eight years. The Court House was dedicated on July 4, 1876, and is of modified Baroque architecture.

## ALLIED SURGE TOWARD PARIS UNCHECKED

### Canadians Thrust Four Miles Into Line Below Caen

**Doughboy Drive Leaves Behind to Northwest Wreckage of Enemy's Abortive But Still Withering Counterattacks**

**MUCH RESISTANCE ENCOUNTERED AT ST. MALO**

**U. S. HEAVIES STRIKE HARD OVER FRANCE**

Supreme Headquarters Allied Expeditionary Force, Aug. 8—(AP)—Allied troops, advancing in two powerful surges at the wings of a 130-mile front, drove today to within little more than 100 miles of Paris, and the Germans desperately rushed in forces from southern France.

Canadian troops hammered four miles into the main enemy line below Caen, and Americans on the southern flank struck toward Le Mans, only 110 miles from the French capital. Advance elements already were reported in Le Mans, a road-and-rail hub.

The Doughboy drive left behind to the northwest the wreckage of the Germans' abortive but still-withering counter-attack in the Mortain area.

The exact sector where the Allies were little more than 100 miles from Paris was not specified. A report that Allied forces had definitely passed the 100-mile mark circulated late today, but proved erroneous.

At the northern end of the Allied front, the Germans' stout Caen hinge, loosened by an unprecedented 1,000-plane bombardment last night, was battered again in daylight by 600 U. S. heavy bombers.

Canadian-British troops stormed over the Orne river in a four-mile advance. They punched through a once-impenetrable anti-tank screen, seizing strongpoint villages by the dozen.

On the Breton peninsula, U. S. troops battled against stubborn resistance for the northern port of St. Malo, fought on the outskirts of Brest, and threw a concentrated attack against Lorient.

(Berlin radio acknowledged that Americans had broken into St. Malo at one point.)

The Germans rushed in reinforcements against the rising Allied threat to Paris. It was the 26th anniversary of their "blackest day" in World War I, when the (Turn to Page Seven)

### Thousand American Bombers Hit Second Tremendous Blow at Hinge of German Lines

**AND CANADIAN DRIVE**

By AUSTIN BEALMEAR  
London, Aug. 8—(AP)—A thousand American heavy bombers struck a second tremendous blow today at the hinge in German lines below Caen and ranged widely over France attacking air fields and lying bomb installations.

An estimated 1,800 tons of bombs were cast on German lines before the advancing Canadian First Army in the same area pulverized last night by 1,000 British heavy bombers which dropped around 6,700 tons. About 600 Flying Fortresses and Liberators participated in this action.

Some 400 others beat up airfields at Romilly Sur Seine, 55 miles northwest of Paris, and at Perth, northwest of Romilly. They also bombed the platforms from which robot bombs are hurled at England.

Up to 750 Mustang, Lightning and Thunderbolt fighters escorted the American bombers.

The attack last night by the RAF's Lancasters constituted their first operation in darkness in close support of ground forces.

In the hour before midnight, the big bombers dumped an estimated 6,700 tons of explosives on enemy fortified points in the area of May-Jur-Orne and Tilly La Campagne on both sides of the Caen-Falaise road.

Allied air fleets made new attacks on the enemy today.

### 42,000 Japs Are Nipped In India Battles

By CHARLES A. GRUMICH  
Southeast Asia Command Headquarters, Kandy, Ceylon, Aug. 8—(AP)—An Allied spokesman declared today that 42,000 Japanese had been killed and four of the enemy's nine Burma divisions had been liquidated in their drive into northeast India and in Lt. Gen. Joseph W. Stilwell's successful campaign in the jungle-fir Burma mountains.

"They have had the hell knocked out of them," the spokesman said in closing the books on the Japanese incursion into India.

He speculated that the Japanese might retreat as far as Mandalay. Allied patrols fanned out beyond the Burmese frontier base of Tanu and crossed the Yu river, chasing the disorganized Japanese toward the Chindwin river, headquarters announced today. Other forces moving south toward Tiddim on a highway from Imphal were reported making satisfactory progress.

British and Indian troops killed 15,693 Japanese by actual count.

### Associated Press Bulletins

Rome, Aug. 8—(AP)—American shuttle bombers from Britain attacked two Romanian airfields northeast of Ploesti today and then landed on Italian bases.

Hartford, Conn., Aug. 8—(AP)—Connecticut Republicans gave the top places of their state ticket today to Senator John A. Danaher and Governor Raymond E. Baldwin, renominating both by acclamation.

New York, Aug. 8—(AP)—United States Senator Robert F. Wagner was nominated today by the state Democratic committee to succeed himself as senator from New York in the November election.

Chungking, Aug. 8—(AP)—Chinese troops surrounding Tengchung are massing for a final assault expected to result in the fall of that Japanese strong hold in western Yunnan province, the walls of which already have been penetrated by the besieging forces.

New York, Aug. 8—(AP)—The stage and film production of "This Is the Army" has earned \$10,000,000 for the army emergency relief fund, Irving Berlin, composer and producer of the show, reports.

Moscow, Aug. 8—(AP)—U. S. Eighth Air Force heavy bombers attacked a German synthetic oil refinery yesterday at Tresbinia, about 20 miles west of the ancient Polish capital of Krakow.

Philadelphia, Aug. 8—(AP)—Frank L. McNamee, regional director of the War Manpower Commission, said today the loss of 4,000,000 man-hours in defense plants during the city's six-day transit strike cost the nation's war production the equivalent of 267 Flying Fortresses or five destroyers.

(Turn to Page Seven)

### PUNISHMENT METED OUT IN HITLER PLOT

**Trial of Eight High Officers Expelled From Army on Charges of Complicity is Concluded**

#### HIMMLER IN CHARGE

London, Aug. 8—(AP)—Field Marshal Edmundo von Witzleben and seven other German army officers were hanged today, Berlin announced, after a trial in which they confessed plotting to kill Hitler and surrender Germany to the Allies.

This brought to 16 the announced deaths of alleged conspirators in the Berlin-planned plot which culminated in the July 20 bomb explosion at a Hitler headquarters.

Today's executions took place two hours after conclusion of the trial of Von Witzleben and the seven others, all of whom had been expelled previously from the army.

Berlin gave this account:

The officers were accused of participation in the assassination attempt "in order to stir up revolt in Germany to assume command of the Wehrmacht, to seize state authority and to conclude a dishonorable peace."

The court consisted of an infantry general, a Berlin business man, a people's councillor and a municipal councillor. A Berlin baker and a civil engineer served as substitute judges. The jury were long red robes.

The officers were represented by eight defense counsellors appointed by the state.

When the chief of the defendants, former Field Marshal Erwin von Witzleben, gave the German salute the president of the court declared, "the German salute may be given only by Germans who are men of honor."

The proceedings were carried out in the senate of the People's Court, highest German court. Dr. Roland Freisler was president and Chief Prosecutor Lautz headed the staff presenting the Reich's case.

### JUSTICE DEPARTMENT INVESTIGATING P. A. C.

Washington, Aug. 8—(AP)—The justice department is probing into the activities of the CIO Political Action Committee, says Attorney General Biddle, but alleged violations of the Hatch act by government employees are beyond the department's province.

Cases involving the Hatch act— it restricts political activity by federal workers—are handled by the government agencies hiring the employees, Biddle told Rep. Dies (D-Texas) yesterday.

Dies, chairman of the house committee investigating un-American activities, had asked Biddle to take steps to "correct" what the Texan termed political abuses he said were being practiced by the PAC.

### Three Women On Trial For Treason

Denver, Aug. 8—(AP)—With testimony already given by a German prisoner of war that he and a comrade received aid in their escape from an internment camp from three California-born Japanese sisters, the trial of the women on charges of treason moved into its second day in U. S. district court today.

The prisoner, 31-year-old Corp. Heinrich Haider, one-time member of the Afrika Korps, testified that he and Corp. August Loesch, also 31, were met by the three in an automobile after fleeing from the internment camp at Trinidad, Colo., and were taken as far as Wagon Mound, N. Mex.

Yesterday's session took an unexpected turn when Haider testified he planned the escape so he could "fight against the Hitler gang."

### COL. DOUGLAS M'NAIR IS KILLED AT GUAM

Washington, Aug. 8—(AP)—The war department has announced the death on Guam of Col. Douglas M'Nair, 37-year-old son of the late Lt. Gen. Lesley J. M'Nair whose death in Normandy by a prematurely released bomb from an American plane was disclosed July 27.

No details of the younger M'Nair's death were made public in the war department announcement yesterday.

#### NEW OPA RULING

Washington, Aug. 8—(AP)—The office of Price Administration ruled today that effective August 14 any service station or other retailer of petroleum products may ask OPA permission to increase ceilings to the level of state "fair trade" acts without awaiting a court injunction forcing the action.

## Trap Tightens on Japs at Guam

## Russian Offensive Menaces Kielce

RENNES: Shoe on Other Foot Now

A collaborator kneels and clasps his hands in fear as angry citizens of Rennes, France, threaten summary punishment after the Americans entered the city in their first sweep across the Brittany peninsula. They made him shout praises of the Allies.

### Grand Jury Ready to Probe Philadelphia Transit Strike

Philadelphia, Aug. 8—(AP)—Philadelphia looked to FBI agents and a federal grand jury today for possible sensational disclosures in a paralyzing six-day transit strike that developed with flashing suddenness and without apparent organized leadership, inspiring a union's charges of "company collusion" and "sinister enemy activity."

"We are going after the big fish," a federal spokesman said as the FBI massed data and the grand jury prepared to convene tomorrow to hear at least 35 persons, including strikers, Philadelphia Transportation Company officials, officers of the CIO Transport Workers Union and government war agency officials.

The strike, a protest against the upgrading of eight negroes began early last Tuesday morning without apparent warning and was crushed completely early yesterday after the army seized the lines by order of President Roosevelt.

Armed troops continued to ride every moving bus, trolley, subway and subway-elevated train today.

A federal spokesman said the special investigating jury would summon Frank L. McNamee—who estimated 4,000,000 man-hours lost to war production through the stoppage—said a PTC official had proposed that the employment directive be vacated as "the price of ending the tie-up."

Five of the eight negroes who were scheduled to begin training as operators when the work stoppage began last Tuesday, reported to FTC instruction depots yesterday but were told to "go home and call back tomorrow to see whether you are to report for work."

When they called today, they were told not to report this morning but to call again tomorrow. Later this morning they went to the Fair Employment practices (Turn to Page Seven)

### Nazis Leaving Once-Vaunted Atlantic Wall

By CHARLES S. FOLTZ  
Irun, Spain, Aug. 8—(AP)—Adolf Hitler's once-vaunted Atlantic wall for more than 100 miles from the Spanish frontier through Bordeaux has been virtually abandoned and is manned by only a handful of over-aged German railroad troops, advices from France said today.

These Nazi fortifications have been outflanked to the north by the swift progress of American troops through Brittany and eastward towards Paris in much the same way as the Maginot Line was outflanked when the Germans broke through Belgium in 1940.

With their communications seriously menaced, the Germans were said to have begun a full scale evacuation of their forces in southwestern France, leaving only a few gendarmes and gendarmes to cover the French-Spanish frontier.

Regular German army forces moved out of the region south of Bayonne over a week ago, leaving SS units behind. The SS forces in turn began leaving Sunday night. The German railroad troops left behind to guard the coast were reported loading the last of the Nazis' moveable artillery aboard flat cars at Hendaye, Bayonne and Biarritz. To reach the German forces to the north these guns and other supplies will have to run the gauntlet of sabotaged rail lines.

Although most of the German forces called out of southwestern France were rushed north to Bordeaux and La Rochelle, it was reported some units marched by road across southern France toward Montpellier and the Rhone valley.

### Three Killed In Collision At Meadville

Meadville, Aug. 8—(AP)—Three workers at the Keystone Ordnance Works nine miles south of here were killed and a fourth critically injured today in the collision of their automobile with a heavily-loaded truck near the plant entrance.

The dead were identified as: Harold Harmon, Meadville, who died instantly.

Robert Brown, address unknown, who died in an ambulance en route to city hospital.

Fred Trees, Meadville, who died in the hospital several hours after the accident.

In a critical condition was Charles Bowler, Meadville.

State police said the men were guards at the huge army munitions plant now being reactivated after a several months' shutdown. Their car had just turned from a dirt road into Route 19 when the truck loaded with sheet steel approached the intersection.

The light passenger car was hurled 200 feet by the impact.

### REDS CAPTURE OVER SIXTY COMMUNITIES

**New Eruption Carries Red Army Beyond Enemy's Broken Vistula River Defenses**

#### CELEBRATE IN MOSCOW

By DANIEL DE LUCE  
Moscow, Aug. 8—(AP)—A new eruption of Red army attacks which captured more than 60 communities beyond the enemy's broken Vistula river defenses threatened today to strangle German communications between Krakow and Warsaw in the heart of Poland.

Striking out afresh yesterday from the Vistula bridgehead, Marshal Ivan S. Konev's first Ukrainian army reached points 30 miles west of the river, Soviet field dispatches said.

(Today's German radio communication suggested that Russian armies which established a 41-mile front on the west bank of the Vistula river 110 miles southeast of Warsaw, struck violently to the northwest, seeking to curl around and enclose Warsaw.)

Thrusting beyond newly-occupied Szydlow, the Russians directly menaced Kielce, astride highway and rail arteries 25 miles to the northwest.

Last reports placed Soviet spearheads within 37 miles of Krakow, last night Nazi battle before German Silesia, now 75 to 90 miles away.

Moscow guns sounded last night for twin victories—the fall of the oil center of Boryslav in the Carpathians, and the capture of Sambor, communications hub whose fall gave the Russians a grip on five routes leading into nearby Czechoslovakia.

(Information available in London indicated that through capture of Boryslav the Russians had regained some 2,000 Gallician oil wells which had been feeding the Nazi war machine. The Germans thus were left only the Ploesti fields in Romania, which have been repeatedly bombed by Allied air-men.)

### Resignations In W. P. B. Reported

By STERLING W. GREEN  
Washington, Aug. 8—(AP)—The report that two War Production board officials had submitted resignations in protest against army-instigated suppression of their military supply figures, today revived a month-long controversy over the state of the armaments program.

Their figures showed that supplies of ordnance for the army ground forces were at high levels in July, WPB sources said, but at the army's request, State May, director of WPB's bureau of planning and statistics, ordered them withheld.

The supply summary was part of the monthly "progress report" prepared by May's bureau on a confidential basis for a limited number of key war agency officials including the members of the WPB.

Ramspeck's prediction was made in connection with the announcement by the Civil Service Commission yesterday of the order in which employees will be discharged as reductions become necessary.

The Georgian said the civilian rolls now number 2,908,912. He estimated that postwar cuts will bring the total down to about 900,000. The 270,957 federal employees in Washington, he believes will be cut in half.

He expressed the opinion that government workers should be "mustered-out" of war jobs under the same severance pay and unemployment insurance benefits as the government provides for workers in war plants.

### Reduction In Fed. Payroll Is Foreseen

Washington, Aug. 8—(AP)—Dropping of 2,000,000 civilians from the federal payroll within a year after the war ends was foreseen today by Chairman Ramspeck (D-Ga.) of the house civil service committee.

### Millionth Social Security Payment

Cleveland, Aug. 8—(AP)—Recipient of the one-millionth monthly social security insurance benefit now in force, Mrs. Mary Rex Thompson, 33, Cleveland war worker's widow and mother of two children, today received checks totaling \$58.49, the first of a series of payment that could exceed an estimated \$15,000.

Mrs. Ellen S. Woodward of Washington, member of the social security board, presented the initial checks to Mrs. Thompson for herself and children, Dale Bernice, four, and one-year-old Jerald Robert.

Records show that John R. Thompson, husband and father, paid \$145 in social security taxes over a period of 7½ years prior to his death June 19, and his employers paid an equal sum on his account.

The widow will receive a check for \$25.07 monthly and one for \$16.17 for each child.

### Butler Water Well Gushes Forth Oil

Greece City, Aug. 8—(AP)—Here's Cooney Ball's formula for success: Drill a water well that produces oil.

That's exactly what happened when Ball sank a 65-foot water well on his Butler county farm last week. First producing gas, the well began to gush forth oil yesterday at the rate of a barrel an hour.

With oil selling at \$3.40 a barrel, Ball's "water well" promises to bring in approximately \$80 daily.

Oilmen, mystified by the flow which comes from none of the familiar sands, attributed it to a "water push."

### Assassination Of Himmler Unconfirmed

By ROGER D. GREENE  
On the British Front in France, Aug. 8—(AP)—A newly captured intelligence officer asserted today that Heinrich Himmler, German gестапо and SS chief, has been assassinated and that Reichsmarschall Herman Goering was wounded in a new outbreak against the Nazi hierarchy.

There was no confirmation of this report. The officer's report was based on second hand information and therefore subject to reservation. In this connection, the British radio said today a German lieutenant taken prisoner in France related he had given a "pep talk" to his troops and "for want of other good news" had told them that Himmler was dead.

Nine other captives, all Austrians, declared they could corroborate the assertion of the intelligence officer.

The British first heard the story of the alleged assassination from the Austrians. I asked a German intelligence officer, who had been kept apart from the Austrians:

"I suppose Himmler is stronger than Hitler these days?"

"No, Himmler is dead," the Nazi intelligence officer asserted. "he was assassinated. I heard it at my headquarters Sunday. All our officers are talking about it."

### Little Change On The Italian Front

Rome, Aug. 8—(AP)—The Germans clung tightly to a foothold in the hills south of the Arno river in the great bend east of Florence today after counterattacking sharply against Indian troops advancing through the mountains north of Arezzo.

In the two great cities bisected by the Arno—Florence and Pisa—the positions of the contending forces remained virtually unchanged, the Allies holding the regions south of the stream and the Germans still in control of the north banks.

Stormy weather, much with rain, curtailed action along most of the front.

### WRECK ON B. & O.

Butler, Aug. 8—(AP)—The locomotive, tender and mail car of the Baltimore & Ohio railroad's Pittsburgh-Buffalo "Midnight Flyer" were derailed near Butler Junction shortly before midnight last night, the railroad reported. No one was injured, the railroad said, although traffic on the single-track Buffalo division was tied up for several hours.

### TOKYO SAYS RAID MADE ON PHILIPPINES

**No Substantiation of Broadcast is Made by Lt. Kenney's Far Eastern Air Force**

#### SUPPLY LINE IS SLICED

U. S. Pacific Fleet Headquarters, Pearl Harbor, Aug. 8—(AP)—American marines and soldiers on Guam have compressed several thousand squirming Japanese into the northern one-tenth of the island, bringing complete reconquest of the former U. S. naval base very near today.

Other bad tidings for the enemy:

Apparent neutralization of Yap island, once-mighty Japanese airbase in the Carolines 600 miles southwest of Guam.

Slicing of the Japanese supply line between Aitape and Wewak in British New Guinea.

Reports—Tokyo-originated—of American airplanes over the Philippines on Monday (U. S. Time).

The Tokyo radio said a large plane dropped "three small bombs harmlessly into the sea" near Davao, Mindanao, at 1 a. m. An hour later another plane "fled before reaching Davao."

There were no substantiating reports from Lt. Gen. George C. Kenney's Far Eastern Air Force, which patrols from the Australia-New Guinea area toward the Philippines. There has been no Allied air attack upon the Philippines since mid-April, 1942, before the fall of Corregidor.

The Japanese belatedly acknowledged a two-day raid by an American carrier task force upon the Bonin and Kazan islands, 1,000 miles north of Guam and only about 600 miles from Tokyo, but said 41 U. S. planes were shot down and an American cruiser damaged.

Adm. Chester W. Nimitz previously announced that 11 Japanese vessels were sunk and 30 other surface craft damaged, and 13 enemy planes were destroyed, for the loss of 16 American planes, last Thursday and Friday.

Gen. Douglas MacArthur reported a 30-ton mid-day bombing raid Sunday upon Yap, 800 miles east of Mindanao.

In one of the rare Japanese references to Gen. Douglas MacArthur's southwest Pacific domain, Koiso added: "In the New Guineas (Turn to Page Seven)

WARREN STATE HOSPITAL

Must comply with the W. M. C. Regulations

### TIMES TOPICS

#### PAC SWIM TONIGHT

PAC members are limited to one swim period at the "Y" pool this evening, the hour to be from 7:15 to 8:15, and the first 40 to sign up to be the lucky ones chosen.

#### HAD GOOD BUSINESS

Bailey Brothers' Circus played to two capacity houses in the city yesterday and the coffers of the outfit were considerably enriched. The show is a small one and the performance about on the par with that of the Dan Rice Show of early days when trained dogs, goats, etc., formed the big end of the program. Those who attended had their purses given a severe wrench by the prices charged for admission and reserved seats and other little things but the circus fans had their hunger for sand-dust satisfied. The show moved on to Titusville during the night.

#### TIP SHERRY RETIRES

Thomas Sherry (Tip) to scores of Warrenites has retired. After 57 years of mixing drinks in bars around this end of the state he has hung up his towel, laid away his mixing glass and cocktail shaker and called it a day. "Tip" was a bartender back in the days when whiskey was whiskey at 50 cents a pint and when mixed drinks were really mixed. He held forth at the Carver House during the days when Mrs. King conducted the hostelry and it had a reputation from coast to coast for meals and bar service. For the past 15 years he has been meelologist at the Erie Club. One of his favorites was a DuPont Special Cocktail which had more than local fame at the Erie Club.

#### OPA ON PLUMBING

Maximum Price Regulation No. 546 will control the wholesale and retail ceiling price on 61 items of Used and Reconditioned Plumbing and Heating Equipment. The regulation effects sales of the items mentioned above by auctioneers and second hand dealers. Sales by a householder of any of these articles originally purchased for his own use are exempt from price control pursuant to Revised Supplementary Regulation No. 1. However, sales made out of the residence as a regular business enterprise are covered by the regulation. Every person selling Used and Reconditioned Plumbing and Heating Equipment, seconds or culs, subject to this regulation, shall, before making the first sale of Used and Reconditioned Plumbing and Heating equipment, notify the purchaser of the existence of this regulation.

### HOME ECONOMICS EXTENSION NEWS

Thelma Prendergast

#### Avoid Accidents in Home Canning

This year, we should take warning and—

1. Do not oven canning.
2. When using pressure canner, follow manufacturer's directions to the letter. Be sure to have your pressure gauge and safety valve checked. Your County Home Economics Extension Office Representative will tell you how this may be accomplished.
3. Do not fill jars too full for either processing in the pressure canner or the boiling water bath. Some head space is needed for expansion, or else explosions can be expected.
4. In using all lids except the automatic seal, loosen slightly before processing. Zinc lids glass tops with metal bands should be turned tight, and then turned back one quarter turn. Automatic seal tops should be turned until firm, but not forced tight. The compound which the latter contains softens in the heat and thus perforce pressure in the jar to escape. It tightens upon removal from heat thus making a perfect seal.
5. The other lids must leave some vent for escape of pressure. Therefore we tighten them and then turn back. The jars with tops and bands, the bands are placed in position, but not fastened down.
6. Place jars in boiling water bath on a rack to hold them up from the bottom.
7. Always when lifting a lid from a steaming or hot vessel (in canning or in ordinary cooking) lift it far side first, away from the face. Never, never lift lid toward you, and allow steam to flow up into the face.
8. Follow this year's directions carefully. They have been developed carefully to give maximum success and satisfaction, and to avoid the mistakes of last year.
9. If you do not have the latest circular from Pennsylvania State College on "Canning Fruits and Vegetables" be sure to request it from the Extension Office, (Court House, Warren.) Other bulletins which may help you to solve this year's problems in food preservation are:—

"Canning Meat and Poultry at Home."  
"Salting and Brining Vegetables."  
"Drying Fruits and Vegetables."  
"Freezing Vegetables and Fruits for Home Use."  
"Jellies and Preserves."  
"Pickles."

All of these bulletins are available free from the Home Economics Extension Representative in your county.

## Council Acts To Relieve Congestion on Second Ave.

Warren's Councilmen seemingly are glad to demonstrate that when the people want something and ask for it the matter will receive attention. The police committee of the Council last evening presented an ordinance whereby the parking meters will be taken off the north side of Second avenue and police regulation made whereby no parking will be allowed on that side of the street. The ordinance passed two readings and will come up again next month. In the meantime members of council will listen to the motorists who are up in arms over this situation. Fourth avenue will also be repaired "when men and materials are available" but no time is set and motorists tires will take it on the chin during the interim. Council last night moved toward the desires of the people but hardly fulfilled the expressed desires.

The finance committee reported money in the various funds as follows: General fund \$24,635.39; Sanitary sewer \$577.03; Sinking fund \$6637.69; permanent street \$10,167.37; park \$794.64. Bills to the amount of \$13,261.47 were ordered paid when properly approved. The damage done to the Casey property on Prospect street by water from the hillside there came in for comment. The borough has made some repairs for the care of the water but sidewalks and a retaining wall were damaged and the property will be viewed by city officials and decision made as to the borough's obligation in the matter of damage.

The street committee was empowered to spend not more than \$275 for tarvia and the same amount for the purchase of blacktop for street work. The committee also presented a negative report on accepting a street between Oneida and Biddle.

The police last month had 106 calls and made 34 arrests and turned over \$42.25 from fines. Thirteen dogs were disposed of during the month.

Parking meters from June 29 to July 25 collected \$750.54 as against \$724.47 for the same period last year. Burgess Steber collected \$3 in licenses last month.

An ordinance to repeal the ordinance passed some time ago requiring all dogs to be kept on the owners property and on a leash when off the property was repealed. It was reported no rabies had been reported in seven weeks hence the quarantine on dogs was lifted.

Firemen had seven calls last month with a property loss of \$550.

Seven building permits totalling \$18250 were granted during the month with fees of \$27 for the city. The largest permit was to the Masterson Company for their building on Lexington avenue leased to the Sylvania Company in the sum of \$15000.

No bids were received for the painting of the city hall and no report on the laying of a sidewalk from Third avenue to the City Hall.

Fees from the city scales in the sum of \$32.15 were reported. Mr. DeFrees of the Park committee reported that the parks and playgrounds have been used more extensively this year than in any year in history. Eleven big picnics have been held in Crescent park. One new fireplace has been completed there and others are contemplated. At Lacy playgrounds new sandboxes and a basketball court have been provided. The police have cooperated in fine shape in curbing larger boys who caused disturbances on the playgrounds.

Mr. DeFrees also stated that an effort was being made to compile a history of Warren's parks and that he would appreciate anyone giving the Park committee any data relative to the establishment of the city's park lands.

Mr. Waite gave some interesting sidelight on the new McKean county airport. It was built by the U. S. Army and has runways one and one-quarter miles long so the largest planes can land and take off there. The port is only 24 miles from Warren hence available for air travellers from this city. One of the big plane companies will operate in and out of the port as soon as the equipment can be secured. Bradford will erect hangars and a modern airport building at a cost of \$125,000. He stated that he felt the construction of the Bradford airport serving this entire section should be considered by Warren people as a great step forward in the future for all residents here.

At the hospital

POST ROOMS  
343 Penna. Ave., W.  
WEDNESDAY, AUG. 9  
7:30 Until 10:30

It is hoped that some sectional discussions can be arranged whereby the potato growers may be given the latest information relative to the marketing problems that are being faced when the crop moves onto the markets.

Polio Stops  
Gathering At  
Coudersport

Warren county potato growers who had planned to go to Coudersport next Thursday to attend the Field Day of the Pennsylvania Potato Growers' Association have been notified that the meeting has been canceled. The fact that Potter county is under quarantine for infantile paralysis puts any hope of having the meeting out of the picture entirely.

The meeting cannot be held at any other place in the state due to the fact that nine cases east of Coudersport Camp Potato with its experimental fields is located. The Field day program will be called off in its entirety and many have been disappointed as discussions relative to markets, etc., were up for discussion.

"SLIM BRYANT AND HIS GEORGIA WILDCATS"

At Library Theater Today  
Slim Bryant and his "Georgia Wildcats", that well-known radio aggregation from KDKA will appear at Library Theater today, afternoon and evening. Slim and his Wildcats have been on the air for several years and have made radio friends all over the country.

Among those featured in the show besides the trio are: Kenny Newton, Pennsylvania boy, known as the champion fiddler of the east. Kenny recently won second place in the National Champion-ship contest in Columbus, Ohio. Kenny also sings and is well-known for "Freight Train Blues" and "Der Fuehrer's Face". Lopsy Bryant is the master of ceremonies, plays the bass fiddle and sings in the trio. Slim Bryant furnishes laughs, plays guitar and provides novelty numbers.

The "Wildcats" are heard on KDKA daily during the Farm Hour from 6 to 7 a. m.; daily at 1:15 p. m. except Wednesdays; Monday, Wednesday and Friday at 6:15 p. m. on the Tri-State Jam-boree; and "Saturday on the Farm" program at 12:30 p. m.

Slim says "All you folks be sure to come out to meet us and if you don't like our show you can ask for your money back. Of course you won't get it, but it won't hurt none to ask."

The "Wildcats" are heard on KDKA daily during the Farm Hour from 6 to 7 a. m.; daily at 1:15 p. m. except Wednesdays; Monday, Wednesday and Friday at 6:15 p. m. on the Tri-State Jam-boree; and "Saturday on the Farm" program at 12:30 p. m.

## Many Pay Tribute to Former Citizen on 100th Anniversary

The following items from the Tribune, Tulsa, Oklahoma, will be read with much interest by the many friends of "Uncle George" Metzgar, former well known Warren resident, who recently observed his 100th birthday anniversary: Thursday, July 13, 1944.

One hundred years of living—forward, not in the past—abreast of the times and keenly speculative of the future course of this active world.

That is George W. Metzgar who will celebrate Saturday his one hundredth birthday, an event few live to celebrate—at the home of his son-in-law and daughter, Mr. and Mrs. Charles B. Johnson, Sr., 16 W. Fifth St.

There will be a birthday cake of course and open house will be held from 2 to 5 and 7 to 9 p. m. Already he has received numerous birthday congratulations by mail, telegrams and telephone—from as far away as England, New Guinea and Hawaii.

In very good health, keen, interested in everything, and he means everything, the loss of his sight some 15 years ago following an operation, has not dimmed his outlook.

What does he attribute his long life to?

"My time wasn't up, I suppose. I was kept here for some purpose—I don't know for what purpose—as yet but these have been a good one hundred years to me, considering everything that has happened in between them."

Metzgar is oldest living Pennsylvania Railroad retired engineer, and probably oldest member of the Brotherhood of Locomotive Engineers—dating from Sept. 27, 1867, or 77 years.

Born of a pioneer family in York, Pa., July 15, 1844, he has outlived his own family of six brothers and sisters. Of his own family of nine children there are Mrs. Johnson, Mrs. George Laskey of Niagara Falls, N. Y., and Will Metzgar of Erie, Pa.

Deep behind his sightless eyes, is a quick mind cataloging the events and changes taking place in these moving times.

Through the radio—which he thinks is one of the greatest inventions of his century of living; through the daily reading by his son-in-law and daughter with whom he has made his home the past 15 years, he learns much concerning events all over the world.

No greater baseball fan perhaps lives today than this man who had never missed a world series until he lost his sight. During the years the Tulsa Oilers broadcast their games, no fan sat closer to his radio to follow the plays.

Among other cherished possessions is a baseball autographed by every player of the club, including Dizzy Dean who was with the club one year, and club officials.

Thirty years ago this July 15, he retired from the Pennsylvania service after 50 years. At that time he was presented with a gold button which he proudly wears on his coat lapel.

As he looks back he recalls having run almost every type of railroad engine, from the Ross Wyman-Camelback, built at Baltimore, to those operating at time of his retirement.

"I don't go for these new streamlined engines," he grins.

**Enjoy Life, Don't Be Miserable**

There is no use letting inactive kidneys make you miserable. Thompson's Borsoma Tablets being a stimulant diuretic to the kidneys are a great aid in helping the kidneys flush out poisonous waste matter and excess acid from the blood. This poisonous waste is often the cause of miserable aches and pains and making you get up nights. Thompson's Borsoma Tablets are also excellent for your liver and stomach. 50¢ at all drug stores. If constipated also take Golden Lax Tablets 25¢.

**Orders Taken For Window Shades**

**Shades Turned Draperies and Curtains Hung**

**TRY CRANE'S O-SO-EASY FURNITURE POLISH**

**B. W. Crane**  
10 East Wayne St.

adding that he likes the old-time engines.

Another prized possession are his 14 annual passes, one received each year after his retirement and good over the entire Pennsylvania system. He has traveled widely throughout the United States and claims many noted persons as his friends.

Among them is Senator James J. Davis of Pennsylvania, former secretary of labor. In fact Davis introduced Metzgar to the late President Coolidge during a Brotherhood convention in the capital.

Metzgar has lived through three wars—Civil, Spanish-American and World War I—and he hopes to live to see the end of World War II which he thinks will come much sooner than some think.

"I thought the other wars were terrible enough but this one is worse than all the others combined—but victory will be ours and I believe we will have a peace that will be better than the past."

Three of Metzgar's brothers fought in the Civil War. He, being youngest of the four boys, wanted to go but then as now, many had to remain behind to do essential jobs.

His job was to man a railroad engine that hauled troops and supplies. He's proud to think he did his part on the home front.

Few there are living today who voted for Abraham Lincoln. Metzgar, although not quite 21, voted for the martyred president when he was elected for the second term. He recalls having seen Lincoln on two different occasions.

Metzgar had been a long-time resident of Warren, Pa., some 50 years. After retirement he traveled—summers in the east and winters in Tulsa. Since loss of his sight he has traveled little.

"Tulsa is a second New York City for its size and it has the finest friends an old man could want," he declares.

He was never ill or confined to his bed until he fell on ice two years ago, suffering a head injury.

"The doctors had given up hope for me but somehow I came through."

An ardent Republican, Metzgar wants to round out this year of his life by casting his vote next November for the Republican nominees for president and vice president.

Friday, July 14, 1944

Congratulatory messages were flooding in today to George W. Metzgar, who celebrates his 100th birthday Saturday.

Chief among these was a letter of good wishes from President Roosevelt and another from E. B. John, recently retired superintendent of the Pennsylvania railroad's Renova division. Metzgar, whose story appeared in The Tribune Thursday, is the oldest living ex-engineer of that road while John is the oldest living ex-superintendent.

Also in the mail were congratulatory messages from Alvan Johnston, grand chief engineer of all the railroad brotherhoods and all executive officers. They sent a gold button and reported that records failed to show where any other man had ever been a brotherhood member as long as 77 years—which is Metzgar's record.

"We've had to put the mail in a big basket for it's coming from all over the country," said Mrs. Charles B. Johnson, Sr., with whom her father makes his home at 16 W. Fifth St.

**NOTICE**

Sealed bids will be received by the Supervisors of Sugar Grove Township up to noon, August 19th for the loading, hauling and spreading of 2500 yards of gravel.

The supervisors reserve the right to reject any and all bids.

**Orchids Given For Aiding City's Life In Musical Manner**

Warren, long noted as a city of broad culture and in which the musical arts flourished in a remarkable way and for many years the one city in the state which had a musical club with its own building may well afford to toss orchids to one woman who aided in this movement. There have been many who have evinced great love for music and who have aided in bringing to the city many artists of note but one especially has worked tirelessly in the cause of the city's musical life, Mrs. Allie Russell.

Always a lover of music, Mrs. Russell has sought to develop in the people of the city a desire to hear the works of the masters and to inculcate into the life of Warren an ear for the better things in the musical world. In her work in that direction she has been most humanly understanding. To her much of the credit for a success of the Philomel Club must be given as she has always been a tireless worker for that organization.

In efforts to bring famous musicians to Warren she has been tireless and has aided in the sale of tickets and in advancing the success of the endeavors of the sponsors of the recitals and concerts.

So to Mrs. Russell may the orchids be given today with as much honor to her as gracious in their presentation as Mrs. Russell has always been in her contacts with Warren life.

## Circus Theme Planned For Youth Party

The rumor seems to be circulating around town that there may be a few clowns and a couple of ring masters at the Community Youth People's Party on Friday evening at Beatty School. At least the circus theme is being carried out in the decorations for the outdoor cabaret on the Beatty court.

Leland Day and his decorating committee will hold their final planning session tomorrow evening. They will work out the party motif in decorations Thursday evening and Friday afternoon. The result should be clever and amusing for the final party of the summer series sponsored by the Community P. T. A. Council and planned by the Committee on Community Recreation.

Any young people who are interested in assisting either Thursday or Friday are asked to call Lee Day at 2444-J. A large group will be needed to carry out the elaborate plans which are being made to make the last party the climax of the summer series.

The party will start immediately after the Community Sing, which is being held on the Beatty School lawn under the direction of Harry A. Summers.

**RUMMAGE SALE**  
A rummage sale is to be held by the Quaintance Class of the First Baptist church in the Salvation Army building Thursday, Friday and Saturday, of this week.

**BROTHERHOOD SUPPER**  
All men of St. Paul's Lutheran church are invited to attend the Brotherhood's tureen supper to be held at Warr-Penn at 6:30 p. m. Thursday.

**BENEFIT GAMES**  
The fun is for everyone and the funds are for the Service Bureau, so the public is always invited to attend the series of games held each Wednesday evening from 7:30 to 10:30 in the VFW post rooms.

**IMPLEMENTS AT RETAIL**  
To prevent speculation in used farm equipment and machinery, thereby protecting farmers from over-charges, the Office of Price Administration has brought sales of such equipment by any person who has acquired it for re-sale under price control. Mr. Alvin J. Williams, Acting District Director of OPA, announced today. Thus said Mr. Williams, farmers and farm equipment dealers will be protected from speculators who, in the past, have re-sold the items at prices in excess of ceilings by claiming they were not retail dealers and therefore not subject to price control regulations. The amendment, effective August 2, also provides that all persons selling new or used farm machinery and equipment must keep acquisition costs and sales records which will be available to OPA for inspection to see that ceilings are not violated.

An anti-freeze solution with an alcohol base will remove ice from the windshield.

**YOUNGSMITH NEWS**  
Youngsmith, Aug. 7.—The Young People's Group of the United Brethren church on Sunday opened a two weeks "Victory" series of meetings under the direction of the pastor, assisted by Miss Mabel Rife, of Columbus, O., a gifted evangelist, and Mrs. Edith Moritz, of Portsmouth, O., an exceptional musician and leader of young people. "Victory Over Sin" is the theme of the series of meetings which it is hoped may accomplish much good in the community.

**NEWS ABOUT TOWN**  
Mr. and Mrs. L. C. Johnson and children, of Jersey City, are visiting Mrs. Johnson's mother, Mrs. Grace Wilson.

Many people have visited the scene of the big fire which destroyed a large barn belonging to Archie Jackson. In addition to the losses already mentioned should be named the death of three animals—a cow, a heifer and a pig. The last-named animal ran back into the burning barn after being rescued. The hay burned has been estimated at 75 tons and a new milking machine, as well as other farm equipment, were burned.

Betto Jo Zelliff is spending a month's vacation at home between sessions of her college work. Mr. and Mrs. H. C. Ashbaugh, of Oak Ridge, Tenn., have been guests of the latter's brother, Dr. Reed Detar.

Mrs. John Zelliff has been enjoying a visit from her brother, Serg. Allen Thrush, home from service in the Pacific.

Corp. Arthur Mogren of the Air Force is home on furlough. He has just been graduated from gunnery school and is leaving this week for the Will Rogers Flying Field in Oklahoma City, Okla. Arthur was accompanied by his fiancée, Miss Betty Redmond, of Pittsburgh. A family picnic, including relatives and friends from Buffalo and Warren, as well as Youngsville, was held on Island Park Sunday.

**LARGE PICNIC DINNER**  
About sixty were in attendance Friday afternoon at the annual tureen dinner meeting of the W. S. C. S. with the Circles of the organization, acting as assistant hostesses. The dinner was held, as in a number of years past, at the home of Mrs. Alice Streeter on Davis street. Tables were placed in the sunny yard and a bountiful co-operative dinner enjoyed at One p. m. Rev. Dwight Jack lead the

prayers, and the cops with drew to confer. The noise continued as the prowler worked away at the garbage can seeking rich loot.

Finally the cops withdrew to the front of the house and putting their trusty weapons away informed the householder that "it's only a skunk and he'll go away without trouble if you let him alone." And away into the night roared the cops while the skunk finished his lunch and ambled on his way.

And the cops searched for a prowler reported at work on Poplar street but when they arrived there he had departed.

Otherwise the night was a quiet one on the air arose stinkily an odor

of the prowler, and the cops with drew to confer. The noise continued as the prowler worked away at the garbage can seeking rich loot.

## Council Plans For Erecting New Sewage Treatment Plant

Burgess Raymond Steber presented a report to the Town Council last evening relative to the negotiations made by the special committee of Council for the preparation of plans for the new sewage treatment plant of the borough. Mr. Steber following his report was empowered by the Council to enter into a contract with the Chester Engineers, of Pittsburgh for the preparation of plans for the building of the plant.

The Chester Engineers prepared the original plans for the borough sewage system which has been approved by Council. Plans for the erection of the plant will be prepared for three per cent of the cost of the erection of the treatment system. This cost is expected to be about \$175,000 with the Engineers to realize 3% of this cost for their payment of preparing the plans.

The cost of preparing the plans was expressed by Joseph DeFrees, of Council "very small," but

it was explained that the company had prepared all plans for the borough sewage system hence the borough received the benefit of a smaller figure than otherwise would have been possible.

On vote, unanimous consent for the signing of the contract was given and the work of preparing the plans will be under way soon following tests as to foundations, surveys, etc., to be made by City Engineer C. W. Barvis.

Warren's sewage system when the treatment plant is completed will be one of the most modern to be found in the state. The interceptor sewers have been practically completed and only pumping stations and short sections of the interceptors remain to be built. These can soon be put in place.

Building of the treatment plant will be distinctly a post war proposition inasmuch as material could not be secured now and the cost would be excessive at present. However the State Health Department and Sanitary Water Board are demanding that good faith be shown by the borough in complying with the order to "get the sewage out of the river" by the preparation and filing of plans in the near future the order of the state departments will be completed with and time will be given for the completion of the plant when materials can be secured.

At 10:10 last night Desk Sergeant Ray Eckert sent out a note to the police cruiser that a prowler was endeavoring to break into a house on Hill street. "He is on the back porch and is seeking to get in, so hurry and you may nab him while he is at work." And away into the night roared the cruiser with cops, riot guns and full equipment.

At the scene the cops deployed in the best Eisenhower methods of surrounding enemy forces. They sneaked up at the rear of the porch and listened. Yep, the sounds of the prowler at work could be heard distinctly and the cops prepared to close in. But on the air arose stinkily an odor

of the prowler, and the cops with drew to confer. The noise continued as the prowler worked away at the garbage can seeking rich loot.

Finally the cops withdrew to the front of the house and putting their trusty weapons away informed the householder that "it's only a skunk and he'll go away without trouble if you let him alone." And away into the night roared the cops while the skunk finished his lunch and ambled on his way.

And the cops searched for a prowler reported at work on Poplar street but when they arrived there he had departed.

## YOUNGSMITH NEWS

Youngsmith, Aug. 7.—The Young People's Group of the United Brethren church on Sunday opened a two weeks "Victory" series of meetings under the direction of the pastor, assisted by Miss Mabel Rife, of Columbus, O., a gifted evangelist, and Mrs. Edith Moritz, of Portsmouth, O., an exceptional musician and leader of young people. "Victory Over Sin" is the theme of the series of meetings which it is hoped may accomplish much good in the community.

**NEWS ABOUT TOWN**  
Mr. and Mrs. L. C. Johnson and children, of Jersey City, are visiting Mrs. Johnson's mother, Mrs. Grace Wilson.

Many people have visited the scene of the big fire which destroyed a large barn belonging to Archie Jackson. In addition to the losses already mentioned should be named the death of three animals—a cow, a heifer and a pig. The last-named animal ran back into the burning barn after being rescued. The hay burned has been estimated at 75 tons and a new milking machine, as well as other farm equipment, were burned.

Betto Jo Zelliff is spending a month's vacation at home between sessions of her college work. Mr. and Mrs. H. C. Ashbaugh, of Oak Ridge, Tenn., have been guests of the latter's brother, Dr. Reed Detar.

Mrs. John Zelliff has been enjoying a visit from her brother, Serg. Allen Thrush, home from service in the Pacific.

Corp. Arthur Mogren of the Air Force is home on furlough. He has just been graduated from gunnery school and is leaving this week for the Will Rogers Flying Field in Oklahoma City, Okla. Arthur was accompanied by his fiancée, Miss Betty Redmond, of Pittsburgh. A family picnic, including relatives and friends from Buffalo and Warren, as well as Youngsville, was held on Island Park Sunday.

**LARGE PICNIC DINNER**  
About sixty were in attendance Friday afternoon at the annual tureen dinner meeting of the W. S. C. S. with the Circles of the organization, acting as assistant hostesses. The dinner was held, as in a number of years past, at the home of Mrs. Alice Streeter on Davis street. Tables were placed in the sunny yard and a bountiful co-operative dinner enjoyed at One p. m. Rev. Dwight Jack lead the

prayers, and the cops with drew to confer. The noise continued as the prowler worked away at the garbage can seeking rich loot.

Finally the cops withdrew to the front of the house and putting their trusty weapons away informed the householder that "it's only a skunk and he'll go away without trouble if you let him alone." And away into the night roared the cops while the skunk finished his lunch and ambled on his way.

**"KEEP GOING!"**

An overseas correspondent of the New York Sun writes of an American outfit in Normandy which sent this message back to its commander: "We have reached our objective. What next?"

To hell with objectives," the commanding officer replied. "Keep going!"

The officer's name is not given. But he may well have coined a slogan that will be as enduring as "Damn the torpedoes—full speed ahead!" or "Don't give up the ship." Perhaps he didn't have military logic on his side. Even the rankiest amateur strategist can see that such an order might achieve chaotic results. But he certainly had the right idea.

And the officer issued the order at the right time to give both military and civilian spirits a shot in the arm. Rightly or wrongly, people had been wondering about the Allied offensive in Normandy. They had been wondering about correspondents' stories that the Paris timetable was weeks behind schedule, and that caution had become a vice with the Allied command. They contrasted our slow progress with the Russian powerhouse advance.

Then the tanks started rolling in Normandy, and the enemy lines began to buckle. The infantry was on the move, again measuring its daily progress in miles. And an anonymous officer told his men, "To hell with objectives—keep going!"

The words and the spirit are typically American. Perhaps we've read and heard too much about the weariness and homesickness of our troops. They are both, of course. They don't like war. They haven't been brought up on fanatical tales of the glory of dying for an emperor or a fuhrer. But when fighting has to be done they do it, and do it well. Americans have always been like that. We have good reason to be proud that we've never been licked in a war.

"To hell with objectives—keep going!" That's a sound sentiment for us at home to keep in mind, too. None of us has time to stop and watch to see when Germany is going to topple, and in what direction.

If the enemy is off balance and groggy with inner dissension, that's the time to keep going and hit harder—here in America as well as in France, Italy and the Pacific.

**VICTORY GARDENERS WASTE FOOD**  
(Meadville Tribune-Republican)

Maybe we're all wrong—heaven knows we've been wrong often enough—but it strikes us that victory gardeners, as a rule, are among the greatest of food-wasters. A lot of them don't do a whole lot of planning; they just go ahead and plan and work over the ground and drop in the seeds. Then, when late-July and early-August roll around, they have more stuff than they know what to do with—as not a few of them have remarked in our hearing. And as we're finding out, also, from our own amateurish experience . . . Beans, squash, lettuce, cucumbers, corn, and what-not! Gracious, but they come on thick and fast these days. And the pity of it is that so many of these crops wilt, grow "too hard" or "too big" on the vine. . . .

Warren motorists who have been importuning the Times-Mirror to have Fourth avenue repaired so that tires are not ripped to pieces on the rough stone curbing along the New York Central tracks and on the broken brick will be glad to note that the street is to receive attention. However no time is set for the work to be done as Chairman Patchen, of the street committee, says the railroad will make repairs "as soon as men and material can be secured." Those whose tires have been jammed up, tires that cannot be repaired, rather feel that Agent Boyd, of the New York Central and the borough officials could get a little better arrangement with the railroad inasmuch as the same promise was made months ago relative to the street.

Second avenue is to be relieved of the congestion that has been caused by the placing of the parking meters on the north side of the street and the meters are to be removed and "no parking" rules enforced on the north side of the avenue. This will be good news to those who have tried to pilot a car through a maze of trucks, cars and what have you.

**T-H-O-U-G-H-T-S**

He hath filled the hungry with good things; and the rich he hath sent empty away.—Luke 1:53.

Riches either serve or govern the possessor.—Horace

# WITH THE SERVICES

## Warren Man Serving With Soviet Troops

Sgt. Robert L. Toner, son of Mr. and Mrs. Harry S. Toner, 338 East Fifth avenue, is now serving with the Eastern Command of U. S. strategic air forces in Europe, somewhere in Russia.

According to a special report received from the USSTAF headquarters, he is serving with a contingent of picked American troops that now staffs U. S. bomber and fighter bases in the Soviet Union.

Sgt. Toner was among troops dispatched to the Soviet Union by the Army Air Forces and, with their Soviet allies, built bases in what high ranking American officers described as "a surprisingly short time." Now soldiers of the two nations jointly operate them.

Major Eugene H. Callahan, base commander, points with pride to the wholeheartedness with which the Americans and the Russians cooperate and their earnest endeavor to understand each other and to learn each other's language.

"We are surprisingly alike in our savvy of mechanics, in spontaneous wit, our like of entertainment and earnestness of purpose," the officer reports. "We're getting on splendidly."

Red Army soldiers and women greet the Americans with: "Good morning; how are you?" The Americans answer: "Kharasha!" or just plain, "Okay!" They mean the same thing and everybody knows both—now.

The men and women work side-by-side servicing heavy bombers and American fighters now knocking Germany and her satellites about from the east. The AAF now encircles Germany, from Russia, England and Italy.

## INJURED MARINE KNOWN IN WARREN

Mrs. Douglas F. Hickok, of Bradford, who is the former Gretchen Heasley, of Warren, has learned from her husband, Lt. Hickok, that he was wounded while serving with the Marines on Saipan but is recovering nicely. He writes:

"My recovery is a fast one and for the past week I have been listed as a walking patient. Being expertly taken care of."

The official war department notification received by Mrs. Hickok stated her husband had been wounded in action July 2. He is a patient in an U. S. naval hospital somewhere in the Pacific and expected to be there about ten days.

## WINGS FOR GUNNER

Another large class just graduated from the AAF Training Command's aerial gunnery school at Harlingen Army Air Field in Texas, included Peter A. Pontera, son of Mr. and Mrs. John Pontera, 29 Brown avenue, Clarendon, who received his silver wings as a gunner and was promoted to private first class. According to word received from the school, unless he is retained at Harlingen as an instructor, he will join an aerial combat team.

## LAREDO GRADUATE

John L. Frontera, whose wife lives here and whose father is John B. Frontera, of Saybrook, was graduated last week from the AAF flexible gunnery school at Laredo, Texas, and now has his silver gunner's wings and is a private first class. He is now qualified to take his place as a member of a bomber combat crew.

## Word has been received that Pfc. Fred L. Swanson, son of Mr. and Mrs. Manning Swanson, of Pittsfield, has landed safely in Italy.

## Local Boys Have Visit With Pals From Warren

Mr. and Mrs. Charles Pirillo, 831 West Fifth ave., have received the following V-Mail letter from their son, Pfc. Nick Pirillo, which will be good news to relatives of a number of local boys with whom he chatted previous to writing the July 26th from "Somewhere in France."

"Just listen to this! Tommy Evans, Frank Carvella, Jimmy Goffido, Earl Rossman, Al Springer, Dave Deardorff. That is just a few of the fellows from home that I met this afternoon. They are really looking swell. Mother if there is any chance of you letting their parents know that they are well, but will not be able to write for a few days please do."

"Pfc. Nick Pirillo, France, July 26."

## Cpt. Anderson Forms Library For Air Force

On interest in many friends in Warren and vicinity is announced from Southern Field, Americus, Ga., that Capt. Henry V. Anderson, special services officer and former local athlete, has left there to attend the AAF Special Services school at Washington and Lee University in Virginia.

Purpose of this training program is to prepare such officers for a broad variety of activities which have to do with the general welfare and morale of military personnel and to render special services and assistance to the individual soldier, whose problems are many. A special course in recreational activities, social and athletic, is included in the training curriculum.

As special services officer at Southern Field, Capt. Anderson, with the full cooperation of the Graham Aviation Company, has established a library that compares favorably with libraries of large military posts. A spacious room in one of the cadet barracks, well equipped with comfortable furniture and adequate lighting facilities, is a haven of rest to the cadets after a busy day of routine activities. A wide collection of books has been received through the Victory Book League and through gifts from local citizens. Adequate magazines and newspapers are also available for all personnel of the post who desire to visit the library.

Before entering military duty as a director of physical training, Captain Anderson had been athletic coach of Lawrence Park high school in Erie, a school which had the financial support of General Electric's large manufacturing plant. Immediately before entering service with the AAF, he was doing graduate work in physical education at the University of Alabama.

Capt. Anderson is the son of Victor Anderson, 20 South Pine street.

## IS FLIGHT OFFICER

Paul Henry Cariberg, Jr., son of Mr. and Mrs. Paul H. Cariberg, of Sugar Grove, recently won his silver wings as a pilot and was promoted to the rank of flight officer in the Army Air Forces at Turner Field, Albany, Ga., where Col. John B. Patrick is commanding officer.

## GUNNERY GRADUATE

Cpl. Robert C. Johnson, son of Mr. and Mrs. Clyde Johnson, of Akeley, was graduated this week

Are you doing enough Home Canning?

# it takes a lot of food

to feed a family!

Next winter many foods may be scarce, because seventy per cent of the fruit pack and half the vegetable pack will be reserved for our armed forces and allies. That's why it's important for you to do as much home canning as possible. Can more in '44—and you'll find it easy—and economical in both ration points and money—to have delicious, well balanced and nutritious meals for all the family next winter.

Home canning is easy especially with your Gas range (and a sure way to save on your food budget. For prompt, authentic information on any phase of canning, call on the Home Service Department of your Gas company.

### 5 "MUSTS" IN HOME CANNING

1. Select sound fruit and vegetables as fresh from garden as possible, and grade according to size and quality.
2. Clean all vegetables or fruits thoroughly before you start to can. Use only those that are firm and ripe.
3. Can them speedily—not more than two hours from garden to canning.
4. Once you've started, don't let interruptions delay you. Food spoils quickly in warm weather.
5. Follow canning directions closely as to length of time and method. This is most important for best results.

To help you solve dozens of problems in Home Canning, we've had a special booklet prepared by experts. You can secure a copy merely by writing, or stopping in at your Gas company.

## MANUFACTURERS GAS CO.

117 Pennsylvania Avenue, West Phone 128

from the AAF Training Command's flexible gunnery school at Buckingham Field near Fort Myers, Fla. Now qualified as an aerial gunner, he will soon become a member of the AAF bomber crews and will receive crew training at an operational field before going overseas. Cpl. Johnson has been in the army a year and was previously stationed at Laredo, Texas.

**CHAPLAIN WAS CHINESE MISSIONARY**  
Chaplain Arthur J. Dieffenbacher, infantry officer from Titusville, whose relatives here have been advised that he was killed in action in France on July 3, was born in Titusville April 29, 1909.

He was graduated from Academy High in Erie, Grove City College and Dallas Theological Seminary for religious training. Later he studied the Chinese language in Philadelphia in preparation for his AAF Training Command examinations to determine his qualifications as a pre-aviation cadet.

Mr. and Mrs. Sam Berardi, 11 Morrison street, have received word that their son, Charles, has been promoted to fireman first class and is now somewhere in the Pacific.

## YEARS AGO IN WARREN

Interesting Items Taken From The Warren Evening Times

**In 1924**  
A party of Warren people who have been touring the west with Dr. Joseph Danforth in charge of the tour have arrived home. They made the trip in a special car and report an excellent time.

Workmen of the Pennsylvania Gas Company have just completed the laying of 300 feet of new lines to new house erected in the vicinity of Laurel street and Pennsylvania avenue.

Work was started this morning on new garages for the State Highway Department on Pennsylvania avenue, west near Struthers street. The property was purchased from J. P. Jefferson.

Employees of the Nypenn Furniture Company enjoyed a picnic yesterday at Oakview Park. Horse shoes and other entertainment passed a happy afternoon and a picnic lunch was enjoyed in the pavilion.

E. L. Stein has arranged for an extensive remodeling scheme for his store. The store will be redecorated and rearranged while new, lighting fixtures will be installed.

**In 1934**  
A heavy storm which swept over Camp Chedwell on Chautauqua Lake where a group of girls from the Lutheran church are in camp laid low most of the tents in the camp. Boys from the church had to go up to reset the tents and get things straightened up again.

Timely discovery of a telephone pole that had broken off and fallen across tracks of the Erie railroad at Columbus yesterday undoubtedly saved a wreck. The boy reported his discovery and it was removed. The boy's name was not secured.

Warren members of the Court-report Consistory are planning on

attending a concert to be given their Sunday August 12. The organ soloist will be Edith Gregson and the Lutheran Church Choir of Warren will sing.

Tomorrow at Heart's Content a picnic will be held of all fire wardens, crew members and their friends. A snappy program has been arranged. Cream, sugar and coffee will be provided.

Tony Fanos has returned after spending some time at the Finger Lakes and Genesee Mountains. He reports a swell time and excellent fishing.

Eleanor Peters Is Heard by Many

Concluding the season of special tales at the Warren Conservatory of Music, Eleanor Peters, of ne, appeared before a capacity se last evening to play her sen-piano program.

It is recalled that the judge of National Piano Playing Tour-nents, here recently to conduct s annual auditions, granted s Peters the highest grade of pupil playing for him and re-ferred that she was "one of the best students I have heard this son".

Opening her recital with the ch-Rivallid Prelude and Aria, s Peters built up the composi-tion in an increasing tempo that ight it to a most effective cli-x. Two novelties, Dr. LeRoy nppell's Tome Poem and well's Banjo Picker, were color-y done for her second group. ree MacDowell works comprised pianists third group, a trio ich she played with a positive ession that was most convin-ing in the difficult Concert Etude. The climax of her evening was instrumental masterpiece of a great French composer, Saint-ens, the Concerto in G Minor, is work runs the gamut of tech-and expressive difficulties, t by the young player with ar-try and great brilliance and ver where needed. Miss Swan-on, of Youngsville, played an al second piano for her former pil.

Assisting artists were Margaret ivas, soprano, and Nick Gerac-ias, violinist, each heard singl-y also in a fine ensemble presen-tion of the beautiful Bach-Gou-d Ave Maria.

Mrs. Drivas' first selection was the Silence of the Night by ichmaninoff, followed by Vidal's j' etais rayon. Both were done th excellent taste, fine voice and splendid repose. Edith Haines easter accompanied the singer in r usual artistic manner.

Playing the Concerto No. 1 in A inor by Accoley, Nick Geracias ain proved himself Warren's ading young violinist, a position e has reached under the expert udance of Philip Santoro. His lection was admirably presented d Miss Adelaide Swanson's ompliment added just the ight touch required for a most tifying ensemble.

CUPID'S CASTAWAY

by MARTHA PREWITT

Chapter 1

THE taxi starter noticed the girl because the big sou'wester looked incongruous in an inland city. A black slicker flapped wetly around her ankles. She stood alone at one end of the dark rain-swept platform—obviously off the 6:08 from the south because even under the great enveloping hat, he could see she was too deeply tanned for May this far north. She wasn't exactly pretty, but there was something attractive about the small-boned delicate features, and about the way she carried her slight shoulders leaning into the wind and rain as she came down the platform toward him. Twice she stopped and looked back uncertainly, as if hoping to find some welcoming figure following her.

The starter felt an unaccustomed tug of pity. She looked so forlorn and alone there under the hard bright light of the station. "Folks not meet you, miss?"

She swung toward him and smiled. Her teeth were a white line against the brown, her eyes blue-purple. Maybe she was pretty.

"I'm afraid my father didn't telegraph," she said. "He gets excited before he goes on an expedition. I'd better take a taxi, I suppose." Her voice had a throb in it as if she were excited, too. Or scared.

The starter whistled to the line of waiting cabs, and a cloud of steam billowed out behind the first one.

"Guess comin' up into this cold rain's kinda tough, ain't it?" Her mobile brows peaked in surprise. "Oh, no, I'm used to being wet. You see I live on a boat."

"Honest?" His tone quickened with interest. "Gee, I've wanted to do that all my life!"

"I have done it all my life," she shook her head. "It's not really exciting. Being in a city is it! The throb changed to a quiver now."

She was afraid.

"Got any baggage, miss?"

"I'd forgotten! I put them in the station, two bags—they've got Blue Dolphin stamped on them."

THE taxi slid to the curb and the girl got in. A moment later the starter was back, carrying a canvas dunnage bag in each hand, muttering, "Well, if she didn't mean bags."

"Stow them here, please," she indicated the space at her feet. "You're very kind. Won't you let me—give you something?"

He closed the door gently. "No, lady. It was a pleasure."

The driver said boredly, "Where to?"

She consulted a limp piece of paper. "It looks like 10 Bowdoin Avenue." But it could be a 10. It's blurred."

She sat forward on the seat, her fingers clenched tight in her lap. She kept repeating, "It's going to be lovely. Like your dream. It is! It is!" But she wasn't really sure any longer. Maybe the dream was going to shatter, like a bright soap

Social Events

**CURTIS-BOARDMAN RITES ANNOUNCED**

Announcement is made today that Miss Autumn Boardman, of Celoron, N. Y., and T/S Roy H. Curtis, Jr., were united in marriage Saturday afternoon at 1 o'clock in St. Luke's church in Jamestown, N. Y. T/S Curtis recently returned to the States after 20 months overseas and service in both Africa and England.

Mrs. Donald Curtis entertained last Wednesday evening at the home of her mother, Mrs. Emily Snyder, at Venturatown to honor the bride-elect. Games were played and at a late hour Miss Boardman received many gifts for her new home in the form of a miscellaneous shower. A two course luncheon was served from a table decorated in pastel shades.

**SHOWER PARTY FOR LOIS EMERY**

Mrs. John Ekey and Miss Gladys Judd entertained at the home of the former Friday evening with a delightful shower party which honored Miss Lois Emery, soon to be the bride of Robert Nielson.

Guests, members of a Nazarene Sunday school class, numbered about 20. Refreshments were served from a table attractively done in green and yellow and presided over by Evelyn Miller. The bride-elect was showered with lovely gifts for her future home.

**DEMOCRATIC WOMEN ENJOY OUTING**

There was a record attendance for summer events at the picnic held last evening at the Warr-Penn by the County Federation of Democratic Women. Ruby Merkle, of Pittsburgh, a former member, was an out of town guest.

Since the first Monday in September is Labor Day, that meeting was postponed one week and will again be in the form of a Warr-Penn picnic, with husbands of members as guests.

**WOMEN OF MOOSE**

Warren Chapter, Women of the Moose, will have its regular meeting in the Moose Temple Wednesday evening with an executive committee session at 7:30 and further business at eight o'clock. All committee chairmen are asked to bring their reports of work done in July and each is reminded to bring her gift for the stork shower to follow.

**TINY GIFT SHOP**

Customers will be pleased to find two sizes of Plate Hangers for your decorative wall plates. 8-8-1t.

**MILLER AND FRAZIER MARRIAGE LEARNED**

Announced today is the ceremony on August 2 in Charleston, S. C., which united in marriage Pfc. James C. Miller, son of Mr. Curtis, Jr., of North Warren, and Irene Frazier, daughter of Mr. and Mrs. Arthur Frazier, of Taunton, Mass.

Pfc. Frazier is attached to a hospital ship which has recently returned from Naples and his wife remains in Charleston with him until he returns to duty. She is employed in Taunton and will reside with her family for the duration.

**BIGELOW-MUNCH MARRIAGE TOLD**

Miss Vera Charlotte Munch, daughter of Mrs. Charles O. Munch and the late Charles O. Munch, of Warren, and Cpl. Benjamin E. Bigelow, son of Mr. and Mrs. Elmer Bigelow, of Dunkirk, N. Y., were married July 30 in the First Lutheran church here, Dr. H. A. Rinard performing the ceremony.

Cpl. Bigelow is stationed at Fort Reno, Okla., and Mrs. Bigelow will remain in Warren for the present.

**GIFFORD-LOUNSBURY RITES OF INTEREST**

Word has been received here that Mrs. Frances Lounsbury and Howard Gifford were united in marriage by Rev. Haines in the Methodist parsonage at Salamanca, N. Y., Friday evening, August 4 at nine o'clock.

Mr. Gifford, formerly of Warren, is now employed by the Fancher Furniture Company in Salamanca. Mrs. Gifford also holds a responsible position with the same firm. They will make their home at 23 East street, Salamanca.

**LACY TEACHERS ENJOY REUNION**

The eighth annual reunion of the Lacy school teachers was held at Cheney's Point on Lake Chautauqua, entertained by Mrs. T. K. Larson, who, with her committee, served a bountiful dinner.

Officers elected for the coming year were Mrs. Larson, president; Miss Eva Brown of Sheffield, secretary. Appointed as a committee for next year's get-together were the Misses Helen Olson, Alice Anderson and Mrs. T. H. Conway.

**WILLING WORKERS**

North Warren Willing Workers will picnic tomorrow at the Loper Farm, with dinner served at one o'clock. A large attendance is anticipated.

**LEGION AUXILIARY POSTPONES MEETING**

The regular meeting of the American Legion Auxiliary, scheduled for this evening, has been postponed to Tuesday, August 22.

**REBECCA SOCIETY**

Rebecca Society members of St. Paul's Lutheran church will be entertained at 2:30 p. m. Thursday at the home of Mrs. Alfred Holmberg, 3 Myrtle street.

Playground Difficulties are Overcome

Borough council at its regular meeting Monday evening heard an encouraging report from Joseph DeFrees, chairman of the park commission, which is directly responsible for management and maintenance of the borough playground areas.

Mr. DeFrees acknowledged that recent supervisory difficulties had been overcome and that five volunteers had been secured to assist in making the evening program at the playgrounds a full five-night a week schedule.

These volunteers, secured when a plea was made through these columns for assistance in this vital project, were Georgia Spiney, Corynne Peterson, Dorothy Peterson, Mary Maniakas and Mary Jane Lorenz.

Mr. DeFrees asked and council approved allotment of an additional \$100 to cover expenses for the remainder of the playground season.

He announced with regret the termination of Henry Kolpien's services as playground supervisor, his resignation as physical education instructor having been accepted at last week's special meeting of school board.

So far no supervisor has been secured and again Chairman DeFrees is asking for volunteers. Only a short time remains until the season ends and school resumes and it is believed that such an appeal will bring a response from some person qualified to carry on in that brief interval.

**ELKS ENJOY OUTING**

About 200 members of the Warren Lodge of Elks enjoyed the annual picnic held last evening at the Marconi Outing club. The chief feature of the program was the barbecued chicken dinner with all the trimmings.

**STAG PICNIC**

Warren Council, Knights of Columbus, has completed final arrangements for its stag picnic to be held at the Hemlock community house next Sunday. Those wishing transportation are asked to meet at the clubrooms no later than one o'clock.

**GOING TO COAST**

Alfred Eugene Whyte, of Corydon has been accepted for work on the Pacific Coast in a shipyard of the Navy at Point Hunter, San Francisco. He will leave soon for Pittsburgh and then will have Pullman reservations for the trip westward. The young man responded to an appeal made by the government for men to work in shipyards of the Navy. Whyte feels that he can do more toward winning of the war at work in the shipyard. Uncle Sam has two representatives in the city at present and they can be contacted at the office of the Manpower Commission. All expenses are paid to the west coast and first class accommodations are provided.

OBITUARY

Unless otherwise stated, visiting hours at Warren's funeral homes are from 10 a. m. to 12; 2 to 5 and 7 to 9 p. m.

**MISS GERTRUDE SEE**

Miss Gertrude See, of 511 Fourth avenue, passed away early this morning after having been in failing health for the past six months. She was born in Bradford and spent most of her life in that city prior to coming to Warren about ten years ago.

Removal has been made to the Lutz Funeral Home. Plans for services in her memory will be published tomorrow after her nephew, Lawrence Riley, has arrived from New York City.

**MRS. EMMA SCHROEDER**

Mrs. Emma Schroeder, born in Canonsburg on February 7, 1874, and former resident of Homestead Park, Pittsburgh, died at 2:10 a. m. today at the home of her daughter, Mrs. Norman Honhart, 101 East Wayne street. Besides this daughter, she leaves the following children: Walter, Orangeville, O.; Kathryn, Pittsburgh; Mrs. F. W. Jones, Homestead Park; William, Sugar Grove; Carl, Frank, Jersey City, N. J.; Carl, Akley. Also surviving are seven grandchildren and the following brothers and sisters: Walter Schmidt, Henderson, Colo.; Frank Schmidt, East Palestine, O.; Julius Schmidt, Elizabethtown; August Schmidt and Dora Schmidt, Canonsburg; Mrs. W. F. Porter, Washington, Pa.

Funeral services will be held from the Lutz Funeral Home at three o'clock Thursday afternoon, with interment Friday morning at the convenience of the family.

Personal Paragraphs

Dr. and Mrs. LeRoy B. Campbell, West Fifth avenue, left today to spend a week or ten days in Chautauqua and visit relatives in Buffalo.

Among those who came from away to attend the funeral of John Sandy Pace on Saturday afternoon were Mr. and Mrs. J. A. Lundmark and son, Gerald, Erie; Mr. and Mrs. Alfred Rinfrette, Marjorie and Barbara Rinfrette and Benjamin Hooker, Bradford; Humbert and Daniel Ciperano, Lackawanna, N. Y.; Mrs. Milton Healy, Garland; John DeLanzo, Jie Susie and Joe Teeco, all of Lewis Lawn.

Miss Mary Tramble, guest at the Watson Memorial Home, was admitted to Warren General Hospital Monday after x-rays were taken to determine extent of a hip injury received in a fall.

Mrs. Minnie Sealise, 1123 Sechrist street, was given first aid treatment at Warren General Hospital Monday morning for a laceration received when she caught her left hand in a wringer.

James Couse, 15, of Pleasant township, was treated at Warren General Hospital for a gunshot wound on his right foot, received Sunday evening when a .22 rifle he was carrying was discharged and the shot penetrated one of his toes.

John Smith, 415 Chestnut street, was struck by a piece of steel at the Struthers-Wells plant Monday and was given emergency treatment at Warren General Hospital for a laceration over his right eyebrow.

Mrs. Jacob Royek and daughter, Ann Marie, of Corry, spent Sunday with their daughter and sister, Mrs. Stanley Olander, at Irvine.

Mr. and Mrs. A. Martin Hill, of Charleston, W. Va., have returned home after spending some time visiting friends and relatives in Warren and Jamestown.

Henry Abplanalp, well known local milk dispenser, reports seeing a 200-pound black bear a few days ago near Onoville.

Mr. and Mrs. William Fosberg and daughter, Janet, have returned to their home in Detroit after having spent the past week with

## S-P-O-R-T-O-R-I-A-L-S

(By Joe Gardner)

According to the Jamestown papers, the Old-Timers' baseball game which is set for next Sunday, August 13, at 3:30 p. m., at the new stadium will be one of the most outstanding events of its kind in the city history of Jamestown sports events.

"Swat" Erickson, Hugh Bedient and "Bustin' Bill" Wright, assisted by a couple dozen other famous old-timers, will oppose a group of Warren county veterans led by "Pike" Peterson, "Art" Johnson, "Pikey" Wright and "Rabbit" Swanson in what is generally hoped will be a baseball game. Come what may, the game should act as an excellent medium in helping to cement the long standing friendships of many years of sports rivalry between two darn nice towns.

The return game, which will be played on the State Hospital diamond on September 2 at 2:30 p. m., will be the final sports event of the season at the big institution.

"Vic" Swanson has promised us that the same lineup of old-time stars used at Jamestown will be seen here on September 2nd.

Please check in with either "Pikey" Wright, Myron Jewell, "Pike" Peterson or "Sammy" Cosmano. Those who can will drive their own cars, as only a few cars are available to make the trip so far. Anyone who intends to drive up and has room for players can get in touch with Myron Jewell at the Warren Savings Bank.

### Letters to Sports Editor

August 8, 1944

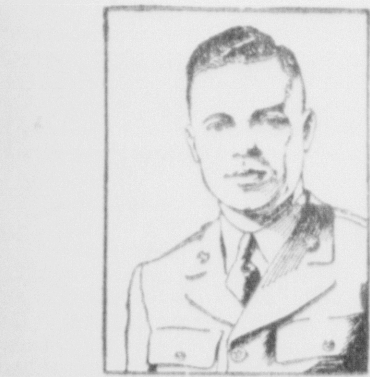

Dear Sir:

I am a loyal National Forge booster, haven't missed a game this season with exception of Sundays game against Buffalo. Both Air-craft team. Saw free game Saturday and thought I had seen all that Buffalo had in one day. Decided to see Buffalo Colored Giants against Struthers. It was a repetition of Forge-Bellairecraft game. Too much power and pitching for weak Struthers outfit as was case of Forge against Bellairecraft. Both teams of Buffalo Colored Giants and Forge should meet in a game and fans would see base ball as it should be played. Teams would be evenly matched with a slight edge favoring the team that would get breaks. Fans who saw game were of the opinion that Colored Giants would defeat Forge but you probably could get Forge money at even bets. Lets get together and make this game a reality, Forge or Giants, lets have it.

Forge Fan.

Dear Editor:

In answering the statement that was put in your paper last night in regards to the National Forge team. It is too bad that Klenew is a hard item to get as I would send them a whole case of it. The poor cry babies would need it. You know that team reminds me when I was a kid and how a group of us would play and fool around. Then as it generally turns up a fight comes out of it. Then the kid that

## Sylvanians Win From Grace In Exciting Mushball Game

One of the most exciting games witnessed this season was played last night as the Sylvanians upset the Grace Methodists, 8-7. Fine mushball was exhibited by both clubs.

The churchmen failed to score in their half of the first, but the bulbmakers let go with a three run rally. Mira got on base on an error, Albrecht walked, and Carrick and Malec each singled to give the Sylvana something to work on. In the second inning Grace again failed to come through as the Sylvana boys chalked up another to make the count 4-0.

The Gracemen accounted for one in the third as Frankowski doubled and was driven in by Brown's double. They gained their control as Sylvana couldn't score in its half of the third.

The Grace team crossed the plate with another tally in the fourth to the score 4-2. Sylvana also came through to score one in

its half of the fourth. Hites doubled, Brown got on base on an error, and Eldridge tripled. The count then stood 5-2.

In the fifth, the Gracemen crossed the plate with two more. Moore walked, Armstrong and Greenlund singled to make the score 5-4. The Sylvanians could not come through in its half.

Not until the eighth was there any scoring. Baldensperger, Farrell and Frankowski singled to bring in two more to put the Methodists out in front for the first time in the ball game. The hopes were shattered as the Sylvanians, with two singles, a fielder's choice, and two errors, crossed the plate with three runs to put them back in the lead 8-6.

The Methodists made a last stand in the ninth as they scored one. Brown scored and Armstrong was tagged out at home plate for the last out.

The box score:

## Jamestown All-Stars Will Play Struthers Wednesday

The Warren fans are in for another baseball treat Wednesday evening when the Jamestown All-Stars will hook up with the Struthers-Wells club on Russell Field at 6:15 o'clock. This is the same club that beat the Welders in a game under the lights last Wednesday and is the same club that will represent New York state in the semi-pro tournament at Wichita, Kansas next week.

Their lineup is studded with stars from all the teams in the Jamestown City League. Such outstanding players as "Les" James formerly with the Pony League, "Al" Shaffer, former Pony League pitcher with Olean and Jamestown and the boy who held the Struthers outfit to three hits last Wednesday, Cocoran another Pony league pitcher, Carlson and Dimas from the Newberry club, "Lefty" Pratt, Rosean, and Miller from the Vikings and Brown, Joey Nagle, Johnson, Squinn and DuBois from the Hope Windows.

Although this club took the measurement of the Struthers outfit they feel confident that with a break or two they can reverse the decision Wednesday. Schussler will probably get the nod for the pitching assignment with Marlett or "Al" Bonavita doing the receiving. If Schussler works the way he did last week against the Newberry team, the All-Stars will be

in for plenty of trouble. Manager Swanson has indicated that his lineup will be the same with the exception of left field which was left vacant when President Hering of the Hornell Pirates thought enough of Charley McLean's actions to sign him up on the spot last Sunday. However "Red" will start Lucia in left field and with the ground that he can cover left field should be well taken care of.

## Baksi Takes a Split Decision From Savold

By JERRY LISKA

Chicago, Aug. 8 (P)—Without causing Champion Joe Louis any particular "G.I." unrest, youthful Joe Baksi last night methodically pummeled Lee Savold off the wartime heavyweight top row in a 10-round scrap witnessed by a disappointingly small crowd of 16,135 at Wrigley Field.

Covered with Savold's blood, the 22-year-old ex-coal miner from Kulpmont, Pa., bull-shouldered his way to a second decision over the

batting merchant mariner in three meetings this year.

Baksi, outweighing his foe 213 3/4 to 199 pounds, lured Savold into constant in-fighting which touched off frequent boos, but won the ranking civilian heavyweight the nod of Referee Walter Brightmore and one of the two judges. The other judge voted for a draw. The 27-year-old Savold, bleeding profusely from the nose and out over the left eye after a third round cuffing by Baksi, perked in the fifth to rock the rugged Pole with several stiff lefts to the jaw. But Baksi recovered quickly and the rest of the battle was marred by clinching which went entirely against the outweighed Savold.

Five rounds went to Baksi, two were even and three were taken by Savold.

## PAVOT OWNER TURNS DOWN \$100,000 OFFER

New York, Aug. 8 (P)—Walter M. Jeffords, of Philadelphia, has refused an offer of \$100,000 for his unbeaten two-year-old colt, Pavot, winner of \$247,475 in capturing the first four starts of his career.

The offer was made by Sol Rutchick, trainer of the Havana-horse stables, after he watched Pavot win the U. S. Hotel Stakes at Belmont Saturday.

SOCIAL EVENTS

PANG AND WEISS FAMILY REUNION

Members of the Pang and Weiss families held their 17th annual reunion Saturday afternoon, August 5, at the home of Mr. and Mrs. Axel Weiss, Chandler street, Jamestown. All members were present with the exception of Rev. A. L. Pang and family, of Warsaw, N. Y.

A bountiful twelve supper was served, followed by a short business session in charge of Mrs. Amanda Pang, president.

Historian O. R. Pang read reports of last year progressive mail-order reunion and also communications from relatives in Nebraska. Beverly Mathis, aged seven, sang a solo and also several duets with her mother, Mrs. Paul Mathis, of Warren.

Conditions permitting, another reunion was voted for next year.

S-Sgt. Gafner Flying Over Europe Lost

Mr. and Mrs. Fred Gafner, 312 Park street, have learned that their son, S/Sgt. Robert Gafner, is reported missing in action over central Europe.

The word came to them through Sgt. Gafner's wife, who resides in Los Angeles, Calif., the message containing only the news that he was missing, between July 21 and 23rd.

Radio operator on a B-24 Liberator, Sgt. Gafner has been over seas since late in May. The last letter from him, which came July 16, informed his parents he was participating in missions over northern Italy and Czechoslovakia.

He entered the armed services in October, 1941, and saw action in several other campaigns. He was wounded in the Battle of Sicily and was awarded the Purple Heart.

He leaves his parents, a brother in the Pacific area and another brother and sister in Mississippi.

Brother Is Killed in Italian Zone

Mrs. William Wholeben, of Clarendon RD 1, has received the sad news that her oldest brother, Sgt. Quinn Ravencraft, of the 47th Infantry was killed in action July 15.

The last word she had directly from him was on July 17, a letter written on July 8, in which he told her his outfit was the first to enter the city of Cherbourg, that he "was in the fight and glad to get there."

He entered the armed services in October, 1941, and saw action in several other campaigns. He was wounded in the Battle of Sicily and was awarded the Purple Heart.

He leaves his parents, a brother in the Pacific area and another brother and sister in Mississippi.

Fliers Smack Big Oil Field

Tionesta, Aug. 8.—Second Lieutenant Robert M. Carringer, son of Mr. and Mrs. M. A. Carringer, of this place, navigator on the B-24 Liberator "Big Idjit," recently completed his fiftieth combat sortie against the enemy.

He crawled from the plane upon his return from Romania, remarking that "We left the target smoldering in smoke. The fighters were plenty aggressive and there was a carpet of flak under us that was anything but pleasant."

It was another of those devastating raids on the Ploesti oil refinery. Lieutenant Carringer arrived overseas last December. He has taken part in heavy bombing attacks on rail yards, industrial centers, supply lines and harbor installations throughout Germany, Austria, Romania, Hungary, Bulgaria, France and Northern Italy.

He is a graduate of Tionesta High school and attended one semester at Bucknell University before receiving his appointment to the navigation cadet school at Selman Field, La., on May 15, 1942.

Shoes—Airplane stamps 1 and 2 in War Book Three are each good indefinitely for one pair of shoes.

Fuel Oil—Period 4 and 5 coupons, good for 10 gallons per unit, are valid now and expire September 30. Unused 1944-45 period 4 and 5 coupons may be exchanged during October for 1944-45 coupons. Period one coupons for 1944-45 heating year are now valid until August 31, 1945. Order your fuel oil and fill your tank as soon as you receive your coupons. Fuel oil users should budget their ration to take care of their heat and hot water needs.

Gasoline—All A coupons are valued at 9 gallons. Coupon 9 expires August 8. Coupon 9 becomes valid August 9 and is good through November 8. New serially numbered B4 and C4 mileage ration coupons are being issued now and are valued at 5 gallons. Serially numbered T coupons which bear the designation "3rd QTR" are valid now and are also valued at 5 gallons; all other T coupons are invalid. For your protection against the black market the rationing rules require that every car owner immediately write his license number and state of registration on all gasoline coupons in his possession.

Tires—Periodic inspection of tires on passenger cars is no longer necessary. However, the tire

Word has been received by Mrs. Eliza Logren, of Youngsville, that her son, Sgt. Clarence W. Buchanan, is in a hospital in England after being returned there from France. The extent of his injury is not known. Sgt. Buchanan had previously seen action in campaigns for North Africa and Sicily and was with the invasion force when they landed in France on D-Day.

WOUNDED AT CHERBOURG

Mr. and Mrs. Floyd Briggs, of Pleasant township, have received word from France that their son, Pfc. Junior Preston Briggs, was wounded in the Battle of Cherbourg and now in a Red Cross hospital in England.

Lt. Col. John Thompson, former Youngsville physician is home on 21-day leave after serving 16 months overseas.

Mrs. Stanley Olander, of Irvine, received word over the weekend that her brother, Walter Steve Royek, seaman first class with the United States Coast Guard and formerly of Corry, has returned

All frozen fruits and vegetables and dried fruits are now point-free.

## Limitation Order Placed On Use of Lumber Products

Because of the critical shortage of lumber, the War Production Board has placed in effect a limitation order (L-335) for the overall control of this basic material.

Ralph W. DeLancey, manager of the Erie district WPB office explained today.

Since the order affects virtually all users of lumber, Mr. DeLancey summarized the essential provisions of it to assist consumers in complying with terms of the regulation. He pointed out that lumber is the last of the basic production materials for which a serious shortage has appeared. Chief factors in this shortage are the tremendously expanded war needs; wide substitution of wood for metal; and the production limitations created by manpower and equipment shortages.

The new control concerns all users of lumber, wholesale and retail distributors, and all but the very smallest of saw mills. Mr. DeLancey explained. It affects the householders who use lumber for a shelf or a bookcase or for a new porch floor as well as the large industrial consumers who use lumber in manufacture of shipping boxes and crates, ships and motor trucks, furniture, agricultural implements and almost countless other items. Consumers are placed in four groups according to the quantities of lumber and the purposes for which they use it.

The order sets up the procedures under which saw mills deliver lumber; distributors receive and deliver lumber, and all consumers receive lumber. Mr. DeLancey advised all consumers who are in doubt of the provisions of the lumber order to promptly contact

Some 50 species of lumber are produced in scores of grades and sizes by approximately 37,000 saw mills. About 40 per cent of all lumber is distributed by wholesale and retail yards, numbering over 25,000. Directions and directives will be issued as situations arise to take care of sudden war needs for either larger quantities of lumber or for special items. Conversely, they will provide for the release of certain items for relatively less essential civilian uses when the demand-supply situation warrants such action, Mr. DeLancey explained.

Since a large percentage of the nation's lumber moves through distribution yards, control at this point will effectively curtail the lumber coming from very small mills. With control of the mills and distributors, the small saw mill will either sell on a direct authorization or to the distributor. The distributor, in turn, will have to sell on certified orders except for specific quantities which will be allocated for uncertified orders to take care of the small consumer, Mr. DeLancey reported.

Military demands in Europe have stepped up demands for lumber and have aggravated an already serious shortage. For example, lumber used for shipping rose from 5,500,000,000 board feet in 1941 to 9,546,000,000 board feet in 1942, to 16,500,000,000 board feet in 1943. The 1943 figure is approximately half of all the lumber produced

Mr. and Mrs. Fred Bills have heard from their son who is with the U. S. army in France. Sgt. Ralph Bills relates with considerable pride, that his bomber group has received the Presidential citation for excellent performance.

A refreshing rain has watered this thirsty valley and vegetation is again snowing life.

The Woman's Auxiliary met at the Bairstow home with a good attendance on Wednesday afternoon.

Mr. Tripp is putting a good looking roof on his residence.

Clara Schell is spending her vacation with relations in this vicinity.

Mrs. George Tyler and daughter, Mrs. Joseph Matych of Chicago, have arrived in Pittsfield and will spend a few weeks in their home there.

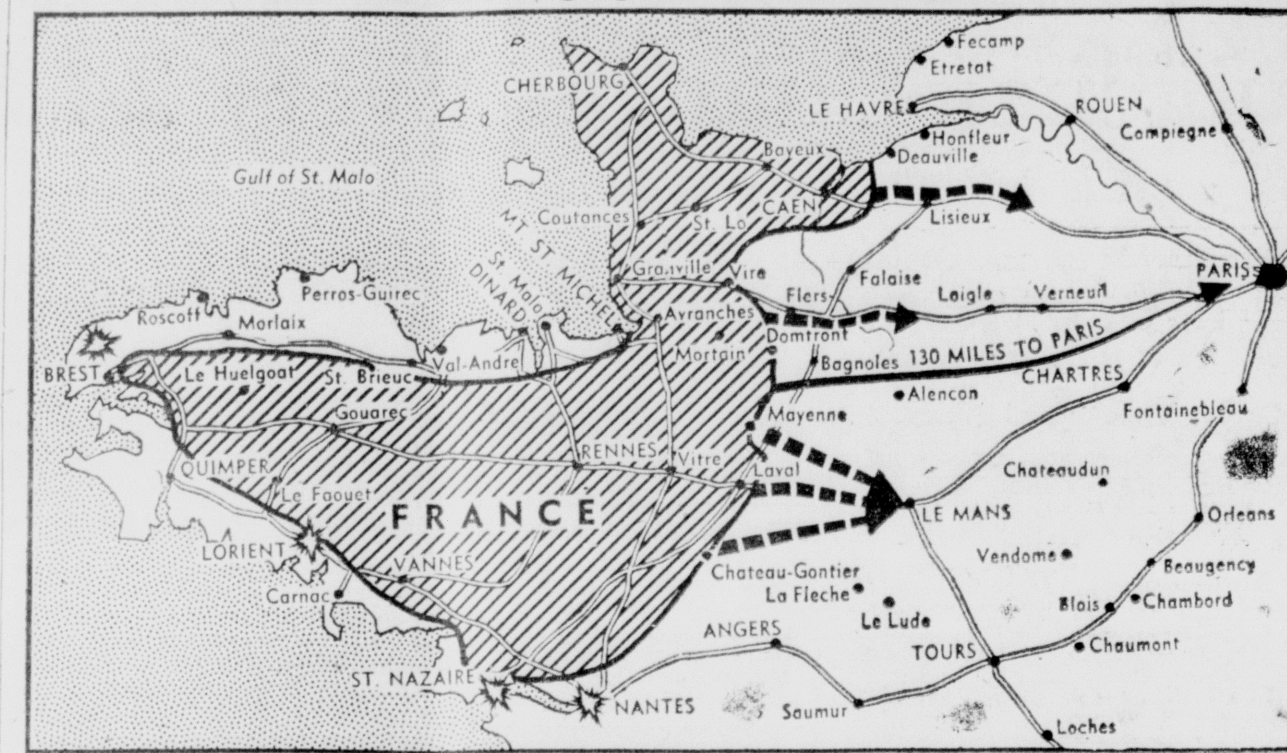

The dinner sponsored by the Woman's Auxiliary and held at the home of Mr. and Mrs. George Fish was well attended and a nice little fund realized.

Robert Palmer enjoyed a week-end furlough with his parents here. Jesse Smith of Warren, stopped for awhile in Garland on Tuesday.

Henry Danielson was in the village recently in the interests of the Township Service Club.

There will be no services in the Presbyterian church during the month of August. Dr. Prout is to take a very much needed rest. The

## Yanks Plunging On Toward Paris

American forces are plunging eastward toward Le Mans and German resistance to the British and Canadians below Caen is cracking as the battle for Paris opens in those two sectors. Brest, Lorient, and St. Nazaire are last-stand holdouts on the Brittany peninsula.

Sabbath School will hold their sessions as usual at ten a. m.

Several Garland residents are working in the oil fields on Garland Hill.

Farmers are beginning to dig their early potatoes.

The little daughter of Mr. and Mrs. Richard Litzinger, who was critically injured when she was struck by a passing motorist, is showing some improvement in the Warren Hospital where she is a patient.

State gasoline and other motor fuel taxes yielded the state \$20,003,897 in 1942, while in 1943 this revenue dropped to \$16,186,713.

Designed for measurement of oil and coolant temperatures in aircraft, a unique moving-magnet ratio instrument has been developed which is adaptable to measurement of ohms, current ratios and voltage ratios.

A 150-pound motorcycle which can be dropped from a plane on a standard parachute has been developed.

## LANDER

Lander, Aug. 4—The Lander W. S. C. S. met at the Community House Wednesday afternoon with twenty-four members present. Hazel Ludwick presided and Dora Van Ord had charge of devotions. A bill of two dollars for cleaning was ordered paid. It was voted to wash dishes for the Mahan reunion to be held Aug. 12. Leona Walter, representing the service club asked anyone wishing to donate cookies to be sent in boxes to boy in service to leave them with her. Boxes will be packed next Wednesday afternoon at her home. Program consisted of a piano solo by Eleanor Ludwick and readings by Mrs. Bishop, Lois Lindell, Mertie Fuller, Clara Burgett, Hazel Kays, Mildred Swanson. One visitor Nora Hinsdale was present. Lunch was served by Florence Ludwick, Hazel Ludwick and Eleanor Ludwick. Money received: dues \$5.00, penny collection 68c, rummage sale \$1.25.

Pvt. Richard Beck left Tuesday evening for Fort Meade after spending a furlough with his parents, Mr. and Mrs. Ernest Beck. A good attendance was present at the canning class Monday evening. Preparing food for the locker was the lesson and string beans

were canned. The next lesson will be held Monday evening with pickles as the subject.

Mrs. Bernard Englehart and children of Warren were dinner guests of Mr. and Mrs. Otis Whit Sunday and also called on other relatives here. Mrs. Genevieve Gruber has returned to her work at the Public Assistance office in Warren.

## Grange News

**PLEASANT GRANGE**  
A good program is in store for all who attend the regular meeting of Pleasant Grange at 8 p. m. Wednesday and a large turnout is hoped for.

It is reported that about 60 persons were present for the birthday supper served recently, when a lovely birthday cake called attention to a having anniversaries and a special table honored the nine members serving in the armed services. This table was particularly attractive in flags, miniature soldiers and sailors and placards bearing the names of those absent. The very pleasant evening was concluded with dancing.

Add carbonated water to fruit punch just before serving it to have the water retain the "sparkle"

# WEDNESDAY 'TIL 1

Each Wednesday those stores which close at 1 P. M. offer "Morning Specials" to stimulate activity and make it worth while for Warren shoppers to be out early. These are selected items of unusual value and timeliness, offered at special prices for Wednesday "til 1." Shop in the "Wednesday 'Til 1" stores, and watch this page for Wednesday Morning Specials.

The old clock on the Court House tower, surmounted by Blind Justice with her Scales, has been striking the hours for Warren folk for sixty-eight years. The Court House was dedicated on July 4, 1876, and is of modified Baroque architecture.
